For an entire generation Daniel's people had been held in captivity and separated from their homeland. But when Daniel read a prophecy in which God said He would restore His people to Jerusalem after seventy years, he claimed that promise and cried out for the Lord to bring it to pass. Daniel's example of praying God's Word back to Him is what Anne calls reversed thunder. In this six-session study, Anne explains how we can reverse the thunder until Heaven is moved and we see real change in our own lives and the lives of those we're praying for. This study guide has everything you need for a full Bible study experience, including the study guide itself with video notes, personal study and group discussion sections, and a guide to best practices for leading a group. An individual access to stream all six video sessions online. DVD also available separately. This guide includes weekly Bible study readings, group activities, and space for writing your own prayers. It is ideal for use in small groups and Sunday school classes and includes a simplified Bible study track for more limited meeting time, such as a workplace lunchtime setting. Sessions and run times include: Bible Study Workshop 48:00, Preparing for Prayer 17:00, Prompting in Prayer 22:30, Pleading in Prayer 25:00, Prevailing in Prayer 18:00, The Battle in Prayer 25:00. The Daniel Dilemma Bible Study Guide Chris Hodges, 2017-10-17. As Christians, we have real hope in Jesus that we have been called to share with others. But how we share that hope makes a difference. In a world that rejects everything we believe, we face a dilemma: how do we walk closely with God without caving in to pressure or alienating those we want to reach? In this six-session video Bible study, Chris Hodges looks at the lives of both Daniel and Jesus, showing how we can stand for our biblical beliefs without being hostile or insulting to others. We can stand up for God's truth in a morally corrupt culture while still loving others, because the goal is never about winning the argument but about winning hearts. As Jesus demonstrated, when we connect with others before we correct them, we can handle the hard questions without compromising God's grace or truth. Chris offers fresh insights and practical ideas to encourage Christians struggling with their cultural reality to hold God's standards high and to keep his grace deep, just as Jesus did, and just as his followers today are called to do. The Daniel Dilemma Study Guide includes video, discussion questions, Bible exploration, and personal study and reflection materials for in-between sessions. Sessions include: In the World but Not of It, Identity Theft, You Are What You Worship, Who's the Boss, Divided, Distracted, and Disturbed, What the World Needs Now. Designed for use with the Daniel Dilemma Video Study, sold separately.

The Walk with the Word Daniel Study Guide D. E. Isom, 2020-11-21. This is not a commentary but a series of Bible studies employing the Inductive Study Approach in order to arrive at a knowledge of how the text should be personally applied to one's life. Formatted in a question and answer format, it facilitates the process of observation: what does the text say?

interpretation what does the text mean and the ultimate goal of application how should I personally apply the text to my life In this author s opinion it is impossible to grasp the whole prophetic picture and even many of the individual details and milestones without building firmly on this progressive foundation of first learning Daniel then the Olivet Discourse and finally on to Revelation The number one culprit of error in this area is most often traced to someone placing an over emphasis on only one of these teachings or over realizing a single aspect of just one of them Revelation cannot be properly understood in isolation from Daniel and the Olivet Discourse In fact if the Early Church who first received Revelation had perceived in even the smallest way that it contradicted made obsolete or outright replaced even one letter of one word in Daniel and the Olivet Discourse it would have been soundly rejected no matter what the authorship The amount of material in Daniel which is recapitulated in Revelation is astounding Rather than presenting another commentary to document the various views and alternative interpretations of Daniel these Bible studies at least provide the opportunity to examine the text and personally seek how God would see it realized in our personal life as we begin to experience these events in our lifetime **Lange**
