Communication Studies Past Papers 1a 22:

Cultural Studies in Question Marjorie Ferguson, Peter Golding, 1997-04-14 This major text offers a critical reappraisal of the contemporary practice of cultural studies. It focuses in particular on the contribution of cultural studies to the understanding of media communications and popular cultures in contemporary societies. The contributors, an outstanding group of internationally acclaimed scholars, examine topics such as the different strands of cultural studies and how they are developed, whether cultural studies is a coherent discipline, tensions and debates within cultural studies, alternative or related approaches to contemporary media and society, and the movement by cultural studies revisionists towards more empirical and sociological modes of analysis.

Media, Conflicts and the National Security Question Abiodun Adeniyi, Paul A. Obi, Sani K. Usman, Ibrahim U. Yusuf, 2025-03-15 This book explores how the media and journalism in a cross-disciplinary sense has treated conflicts in Nigeria, West Africa, and the Sahel. Contributors connect theoretical foundations with practical experiences in the study of media conflicts and national security, seeking to unravel the mediated and communication logic in news coverage and analyse the media's role in pre-conflict, conflict, and post-conflict discourses. The work maps out the impact of mediated narratives on security, risk, terrorism, banditry, and general society, relying on local, on-the-spot, and ontological cultural experiences in Africa, especially Nigeria, Ghana, Sierra Leone, and other parts of West Africa.
