Communion With God:

Communion with God John Owen, 2001-11 Communion with God or in full Of communion with God the Father Son and Holy Ghost each person distinctly in love grace and consolation or the saints fellowship with the Father Son and Holy Ghost unfolded is John Owen s finest devotional treatise This work expounds the most glorious truth that believers may have distinct communion with the three persons Father Son and Spirit and being addressed to the Christian reader is simpler than much of Owen s theology Unabridged Includes all footnotes Communion with God Mark Virkler, Patti Virkler, 1990-12

Communion with God John Owen, 2022-08-16 A good case could be made out for believing that repentance is one of the least used words in the Christian church today In a world that will not tolerate the mention of sin and in churches where it has been defined only in sociological terms the biblical teaching on repentance has inevitably been ignored Knowing what repentance is and actually repenting are essential to true Christianity Jesus Christ himself said that if we do not repent we will perish It is vital therefore to read and study what Scripture has to say about this theme Few better guides have existed in this or any other area of spiritual experience than Thomas Watson He was a master of both Scripture and the human heart and wrote with a simplicity and directness that keeps his work fresh and powerful for the twenty first century *Directions for daily communion with God, in 3 discourses, and The communicant's companion* Matthew Henry, 1866 **The Hidden Life** Adolph Saphir, 1877 Adolph Saphir s classic meditation on chapter four verse eight of the Book of James is treasured for its poignant spiritual assessment of the New Testament Draw near to God and he will draw near to you is the message at the heart of *The Hidden Life* For the author these words summarize most perfectly the exactness of God s message through the New Testament With this as his basis Adolph Saphir proceeds to discuss how to live with the Holy Trinity in mind Yet his contemplations are rich in their variety he visits such topics as Eastern mysticism found in religions of India and Islam the discussions between God and Biblical figures such as Nicodemus and the message brought by Christ to humankind The meditations herein are supported by references to chapters of the New Testament together with a variety of quotations from spiritual authors of antiquity and early modern times Though his inquiry is winding with touches of eclecticism Saphir never loses sight of the objective growing closer to the spiritual essence of the Lord and Jesus Christ The Saphir family converted from Judaism to Christianity when Adolph was a child Intellectually apt Adolph gained a Master s degree from Glasgow University and went on to serve as a minister and missionary of some renown in the 19th century Glasgow University made him an honorary Doctor of Divinity in 1878 Draw Near Scott Aniol, 2020-03-04 What comes into your mind when you hear the phrase communion with God Sitting cross legged eyes closed arms outstretched humming Losing yourself in emotional ecstasy Being ushered into another dimension Centering rituals Emptying your mind and hearing audible voices from God Through a series of meditations on several biblical passages Scott Aniol demonstrates that communion with God is not mystical or mysterious rather communion with God is rooted in the gospel of Jesus Christ clearly communicated throughout
