

COMMUNITY NEEDS ASSESSMENT

Once a year, your club should assess the programs and services you provide to your local community. Through a simple assessment, you will be able to understand:

- What kinds of volunteer services your community needs.
- Which projects and programs are important to the people in your area.
- Whether your clubs' current service projects are still needed by the community.
- If other organizations in your area are providing similar services.

To accurately assess the needs of your community, follow the steps below:

Step One: Introduce the Community Needs Assessment to the Board

Present the importance of conducting a needs assessment with your club's board of directors. Explain how the assessment will help the club identify and focus on programs and services that are needed in the community.

Step Two: Appoint a Committee

After receiving approval from the board, discuss the importance of conducting the community needs assessment at a club meeting. If members agree to the assessment, appoint a task force to handle the assessment.

Step Three: Develop a Questionnaire and Cover Letter

Have your task force begin their work by developing a questionnaire and cover letter. You may use the sample questionnaire and cover letter provided or customize your own to include questions that will help you assess the specific needs of your community. If you choose to use the one provided, visit the Lions Clubs International Web site and search MK-9A for a writable PDF version of the questionnaire.

Step Four: Decide Who to Contact in the Community

Before beginning your assessment, your task force will need to decide who can best evaluate the needs of your community. Make a list of the people you think should take the assessment. Consider visiting your villages' official Web site for ideas of who to contact. Often, the village Web site will provide e-mail addresses and phone numbers of important personnel.

Some ideas of people you can contact to help determine the needs of your community include:

- Principals
- Teachers
- Library personnel
- Environmental service workers
- Park district coordinator
- Police
- Fire fighters
- Hospital administrators
- Doctors & nurses
- School counselors
- Social workers
- Student leaders
