Treasures in Clay Jars George B. Thompson, 2012-02-21 Thompson a prolific author of church leadership resources believes the continuing decline in membership of mainline denominations and the increasing number of multicultural and multiracial churches call for a new way of thinking ministers must begin to see their ministry differently in order to do their ministry differently Treasures in Clay Jars is designed to provide persons in training for ministry with a paradigm shifting framework to interpret and work effectively with the complex dynamics of local faith communities Thompson takes an innovative approach by utilizing explicit and relevant conceptual and theoretical tools from the social sciences sociology economics and cultural anthropology to engage future pastors to minister effectively to twenty first century congregations The book discusses congregations in five different ways as social group as bearer of meaning as locus of exchange as collective capacity and as complex organization A study guide is included for church leaders who would like to engage their congregations in this new paradigm of ministry *I am Your Father* Mark Stibbe, 2012-09-12 We live in an increasingly fatherless society Fatherless children are far more likely to be criminals or victims In January 2009 Mark quit as the senior leader of a successful and progressive Anglican congregation to found a ministry called The Father s House dedicated to taking the Father s love to the fatherless The task of the family of God is to take the Father s love to the fatherless To do this those who are already members of God s family need to have their father wounds healed This book will help those with hearts broken by their earthly fathers to find in their Heavenly Father the love of all loves In Part 1 Mark describes the different ways in which fathers can hurt their children In Part 2 he goes deeper defining the wound as the orphan heart and describing the main symptoms of this condition in peoples lives In Part 3 he shows how Christians can find true healing through experiencing the Spirit of adoption *Early Prayer Books of America* John Wright, 1896 The Congregationalist , 1921
