Kay,Richard Johnston,2011-11-01 Social capital is arguably the most critical idea to emerge in the social sciences in the last two decades Emphasizing the importance of social networks communication and the symbolic and material exchanges that strengthen communities social capital has been the subject of an expansive body of literature Social Capital Diversity and the Welfare State represents a landmark consideration of the diverse meanings causal foundations and positive and negative consequences of social capital with a particular focus on its role in mitigating or enhancing social inequalities The chapters written by economists political scientists and sociologists address a range of empirical and theoretical issues This book is cutting edge addition to the field that offers fresh insights into the conceptualization operation sources and consequences of social capital in Canadian society *The State of the System* Paul W. Bennett,2020-09-23 Over the last fifty years Canada s public schools have been absorbed into a modern education system that functions much like Max Weber s infamous iron cage

Crying out for democratic school level reform the system is now a centralized bureaucratic fortress that every year becomes softer on standards for students less accessible to parents further out of touch with communities and surprisingly unresponsive to classroom teachers Exploring the nature of the Canadian education order in all its dimensions The State of the System explains how public schools came to be so bureaucratic confronts the critical issues facing kindergarten to grade 12 public schools in all ten provinces and addresses the need for systemic reform Going beyond a diagnosis of the stresses strains and ills present in the system Paul Bennett proposes a bold plan to re engineer schools on a more human scale as the first step in truly reforming public education In place of school consolidation and managerialism one size fits all uniformity limited school choice and the success for all curriculum Bennett advocates for a new set of priorities decentralize school governance deprogram education ministries and school districts listen to parents and teachers and revitalize local education democracy Tackling the thorny issues besetting contemporary school systems in Canada The State of the System issues a clarion call for more responsive engaged and accountable public schools

Instructional Communication Competence and Instructor Social Presence: Enhancing Teaching and Learning in the Online Environment Sherwyn Morreale, Patrick R. Lowenthal, Janice Thorpe, Larisa Olesova, 2024-05-16 The coronavirus pandemic mandated unexpected instant transitions to remote learning and accelerated student demand for online courses As a result colleges and universities in the U S and around the world began and have continued to expand their online courses and degree programs The online learning industry is projected to pass 370 billion by 2026 and one third of post secondary school administrators indicate they will continue to offer both remote and online course options even after their campuses completely resume offering in person face to face courses Students have demonstrated there is an increased demand for online courses as well A national survey of 1 413 students registered at U S higher education institutions in fall 2020 and spring 2021 said their experiences with learning remotely during the pandemic left them with a positive attitude toward online and hybrid courses This increased interest calls attention to the need for more scholarly examination of online teaching and learning
