[A Study Guide for Common Sense Police Supervision 7th Edition](#) Gerald W. Garner,2024-03-08 This comprehensive study guide is intended to be a companion for the seventh edition of Common Sense Police Supervision It was developed to help readers and students test their knowledge of the contents of the twenty chapter text It also was fashioned to help the promotional student ready him or herself for an examination based on the book At the beginning of each chapter a summary of the contents is provided for each of this guide s twenty chapters The summary is followed by a series of questions designed to test and reinforce the

reader's knowledge and understanding of the chapter. Each of the guide's questions is in multiple choice format where the reader chooses the single best answer for each question. The answers for each section follow at the end of each chapter along with the corresponding page numbers from the text where the subject is discussed. This is exceptionally useful as an additional learning tool. If used along with the book, the guide should increase the reader's comprehension and retention of the material found in the text. In addition, this study guide can also be an invaluable teaching instrument for instructors. Readers will find a new chapter, Working for Someone, that provides valuable information for the law enforcement supervisor to assure that the working relationship with his or her own boss is a consistently positive one.

Police Officer Exam Donald Schroeder, Frank A. Lombardo, 2017-06-06. Rated Best of the Best in Police Exam Prep Books by BestReviews. September 2018. This updated manual presents information, practice tests, and strategies for the different question types used by police departments throughout the country. It includes four full-length practice exams with all questions answered and explained. Two official exams given by a large metropolitan police department. Streamlining of chapters to more closely reflect the latest question types currently in use. General strategies for dealing with multiple choice questions and specific strategies for taking computer-based multiple choice tests as well as for taking the traditional paper-pencil multiple choice exam. All important time management strategies. New reading comprehension question types plus strategies for answering these questions. An additional diagnostic exam presents questions like those that have appeared on recent entry-level exams used by police departments across the country. Also included are test-taking tips for all question types, suggested rules for effective study, and a detailed description of a police officer's duties. Updated chapters take into account the recent trend by police departments to rely on oral interviews and computerized testing when selecting police officers.
