book is to promote the understanding and discussion of regulatory issues by presenting comparative research on mediation It
describes and analyses the law and practice of mediation in twenty two countries Europe is represented by chapters on
mediation in Austria Bulgaria England France Germany Greece Hungary Ireland Italy the Netherlands Norway Poland

regulatory models and discuss central principles of mediation law and practice In particular the work considers
harmonisation and diversity in the law of mediation as well as the economic and constitutional problems associated with
privatising civil justice To the extent available empirical research is used as a point of reference in the critical analysis
