101 Cash Flow Ideas Brandon Murray, Chris Rich, Thomas Johnson, Passive Income Factory, 2019-11-15

Do you want to make money every day without having to work for the boss? Do you want to enjoy the freedom that comes with being wealthy? Or maybe you're looking for methods to protect and increase your capital. The question then is: how? And yes, the answer is passive income, what you have certainly heard about. The average person spends his or her life working for money. Some work at a job, others run their own businesses, and others do both. The kind of income derivable from these sources is called active income. All these persons have to keep working to keep living. It's like driving a car: You have to keep your hands on the steering and your leg on the accelerator for the car to keep moving. You stop exerting yourself, and your cash flow runs dry. With an active income, the asset is the person. You are the goose that lays the egg, whether golden or otherwise. But where passive income is concerned, your initial investment—be it in the form of money or effort—is what keeps the cash flowing. This 3-in-1 bundle seeks to expose you to a variety of ways to generate passive income. From the very familiar ideas of real estate, stock, and other conventional income streams to the many novel internet-based ideas, this book gives you an understanding of these ideas. In this 3-in-1 guide, you'll discover 55 various strategies to generate passive income with no or minimum investment, 21 advanced strategies to create assets and increase your capital if you can afford to invest up to \$35,000 and more, 25 proven and working strategies how to get away from the boss, to everyone's taste, from freelance and creating additional income to launching your own small business, step-by-step guide on how you can implement each of these 101 proven effective strategies immediately, a bunch of methods to create your first assets with zero investment, some recommendations on how to transform self-employment strategies into passive income sources, consistently the secret of Warren Buffett's strategy, thanks to which he became one of the richest investors in the World, how to turn public info into a source of income, how to make up to 1K/month from your car passively with no investments, how to get paid just for turning on your computer, how to create passive income
