The Report: Nigeria 2010 , **Nigeria, Post Report** ,1984 *Selected Judgments of the High Court of Lagos State* Lagos State (Nigeria). High Court,1980 1992 Post Report, Nigeria ,1992 Towards Reforming the Legal Framework for Secured Transactions in Nigeria Chima Williams Iheme,2016-08-16 This book offers a valuable guide to one of the most challenging areas of commercial law now frequently referred to as secured transactions with a focus on Nigerian Canadian and United States perspectives A debtor s ability to provide collateral influences not only the cost of the money borrowed but also in many cases whether secured lenders are willing to offer credit at all The book proposes that increasing access to and indeed lowering the cost of credit could tremendously boost economic development while at the same time arguing that this would best be achieved if the legal framework for secured transactions in Nigeria and of course any other country with similar experiences were designed to allow the use of personal property and fixtures to secure credit Similarly the creation priority perfection and enforcement of security interests in personal property should be simplified and supported by a framework that ensures that neither the interests of secured lenders nor debtors are hampered so as to guarantee the continuous availability of affordable credit as well as debtors willingness to borrow and do business The book further argues that in addition to the obvious preference for real property over personal property by secured lenders due to the unreformed secured transactions legal framework in Nigeria its compartmentalized nature has also resulted in unpredictability in commerce and the concomitant effects of poor access to credit Through the comparative research conducted in this book utilizing the UCC Article 9 and Ontario PPSA as benchmarks the author provides reformers with a repository of tested secured transactions law solutions which law reformers in the Commonwealth countries in Africa and beyond as well as the business community will find valuable in dealing with issues that stem from secured transactions Nigerian-American Economic Relations ,1978 *Commerce Reports* ,1915 **Law of Contractual Obligations in Nigeria** Otu Enyia,2019 This book is a compendium of the law relating to contractual obligations and covers specific areas of law of contract sale of goods contract hire purchase contract agency contract labour contract banking contract insurance contract in Nigeria Essentially it summarises the basic principles of contractual obligations that are prevalent in day to day engagements **Nigeria Handbook Containing Statistical and General Information Respecting the Colony and Protectorate** ,1922 **Nigeria's Ghana-must-go Republic** Efeturi Ojakaminor,2004* **Loco** ,1913 Tell ,2003 *Nigerian Business Materials* Robert H.
