Cartoon Gospel Ecalendar English Edition:

The Cartoon Gospel Richard L. Diesslin, 1990-12-01 *The Cartoon Gospels* Richard Diesslin, 2023-02-20 This is the The Cartoon Gospels lectionary passages from Matthew Mark Luke and John were never so much fun to read The Cartoon Gospels contain cartoons that bring out the humor in the Bible through the use of cartoons as sort of visual parables Jesus used parables humorous short memorable stories that convey truth Cartoons that are visual parables are simply cartoons that attempt to do the same thing bring out biblical meaning in a fun and memorable way Hopefully with the help of a humorous visual aid you will see new aspects to the scriptures that may otherwise be missed This revised edition of The Cartoon Gospels completes a more uniform set along with The Cartoon Old Testament and The Cartoon New Testament

The Cartoon New Testament Richard Diesslin, 2023-01-06 The Cartoon New Testament explores scripture passages from the common lectionary through the use of cartoons and musings The passages are in biblical order by book chapter and verse The lectionary three year cycle is referenced at the end of the book However the Gospels are included in a separate book entitled The Cartoon Gospels Why cartoons A cartoon is somewhat like a visual form of parable A parable is a short and engaging story with a message The idea behind a parable is that the listener will enjoy it enough to remember it and retell it to others just think if they had e mail back then There are parables in both the Hebrew Scriptures Old Testament and New Testament perhaps none more well known than those told by Jesus in the Gospels Humor in general goes a long way toward illustrating a point often more effectively than serious discourse Adam and Eve provide a running commentary at the bottom of each cartoon Adam and Eve became the marginal commentators of choice because of their unique place in human history In addition cartoonist s privilege is used which simply means that silly things like time space history etc are all there to distort and play with tongue in cheek The musings section provides some extra context The goal is to deliver maximum insight in minimum space thus the one page per passage format of the book This is a makes a great companion to a trusted commentary or bible study The Gospel of Matthew: Word for Word Bible Comic: NIV Simon Amadeus Pillario, 2020-10-22

The Gospel of Matthew is a 244 page graphic novel from the series The Word for Word Bible Comic This edition included the New International Version NIV translation of the Bible and verse number are labelled at the bottom of each page for reference The comic presents every word of the new testament scripture within its historical cultural and geographical context It employs a high view of scripture and is aimed at adults and readers aged 12 The Story Intro Throughout the books of Moses and the prophets God has promised a messiah a king to come and liberate his people Israel and rule the earth with peace and justice But what will be the fulfilment of this prophesied royal conqueror from heaven The story begins in a sheep s feeding trough The Cartoon Old Testament Ricahrd L. Diesslin, 2011-06-10 This commentary explores Old Testament scripture passages from the common lectionary through the use of cartoons and musings The passages are in biblical order by book chapter and verse rather than lectionary order Reading through the Old Testament can be tedious and daunting at times but

this cartoon based commentary is fun entertaining and informative Here are just a few of the things you ll learn from this book Is Elijah overly concerned with cakes Does Ruth have a foot fetish Was Joseph a spoiled brat Did Jonah have a bad attitude Does David prove Samuel correct about kings Just how tall was Ezekiel What kind of truck does Jacob drive Did God design the first interstate highway Can sheep really use calculators What s Job s problem Was Zephaniah in a rock n roll band How many animals went with Noah on the ark Does Isaac like camping What is Moses favorite kind of water Was creation really God s 3rd grade science fair project **The Cartoon Bible Series** Patricia Loranger,2003 [The Gospel According to Peanuts](#) Robert L. Short,2003 *The Gospel According to Peanuts* Robert Short,1975-01-01 [Manga Messiah](#) Hidenori Kumai,2007 The story of Jesus told in graphic novel format
