The National Union Catalog, Pre-1956 Imprints, 1980 *Jon Sobrino and Pope Francis* Michel Simo Temgo SCJ, 2019-05-29 To examine the use of the preferential option for the poor in theology today this book turns to two contemporary Jesuits Jon Sobrino and Pope Francis Based on their understanding of the phrase this book initiates a debate about the search for an alternative theological expression It suggests that the preferential option for the poor should be replaced by compassion for the vulnerable *The Lives of the Wise in an Anti-God World* Michael Kenneth Wilson, 2020-12-21 A world in which the lives of people are threatened and controlled either by an unpredictable megalomaniac or by a cold unyielding legal system A world of political skulduggery A world in which people experience a personal identity crisis and the rejection of their values and beliefs A world in which they face intimidation and bullying and an intense pressure to conform A world of ominous dreams and life threatening situations Sound familiar This book will help you to negotiate your way through such a world because it is the very world which confronted Daniel and his friends *The Oxford Handbook of Mission Studies* Kirsteen Kim, Knud Jørgensen, Alison Fitchett-Climenhaga, 2022-04-18 The Oxford Handbook of Mission Studies represents more than a century of scholarship related to the theology history and methodology of the propagation of Christian faith and the engagement of Christians with cultures religions and societies worldwide It contains more than 40 articles by experts from different disciplinary and ecclesial perspectives who are from all continents It not only offers a broad overview of key approaches and issues in mission studies but it also highlights current trends and suggests future developments The Handbook builds on renewed interest in mission studies this century generated by recent key statements on mission from ecumenical evangelical Catholic and Orthodox sources and by a spate of academic works on the topic Western church leaders now apply insights from foreign missions such as inculturation liberation interfaith work and power encounter to today s multicultural societies Meanwhile there are new initiatives in mission from the Majority World where most Christians live so that sending is not only from the west to the rest but from everywhere to everywhere Therefore this volume aims to reflect the voices of the receivers of mission as well as its protagonists and to raise awareness of new movements In a time of growing recognition of religions more generally this work examines and theorizes the missional dimensions of the world s largest religion its agendas growth outreach role in public life effect on cultures relevance for development and its approaches to other communities **The Good News of the Return of the King** Michael T. Jahosky, 2020-09-15 Although many people today reject Christianity for intellectual reasons greater numbers of people are rejecting Christianity because it does not engage their imagination Christians must not only demonstrate that the Christian worldview is true but that it is also good beautiful and relevant The Good News of the Return of the King The Gospel in Middle earth is a book that endeavors to show the truth goodness and beauty of Jesus Christ the gospel and the biblical metanarrative by engaging the imagination through J R R Tolkien s The Lord of the Rings as well as The Hobbit and

The Silmarillion In this book I propose that J R R Tolkien s The Lord of the Rings is a story about what Jesus parables are about the good news about the return of the king As a work of imaginative fiction similar to Jesus parables The Lord of the Rings can bypass both intellectual and imaginative objections to the gospel and pull back the veil of familiarity that obscures the gospel for many
