

Diary entry format

Today you celebrate Independence Day at your school. But you are not satisfied with the attitude of people towards freedom. They consider that they are free to spoil the country and solid its image. Write a diary entry expressing your feelings.

Dear Diary

Body

Today I'm just pandering over the condition of India. We are about to complete 70 years of independence. But where have we reached? Every year we commemorate the sacrifices made by our freedom fighters on this pious national festival, wave flags, sing patriotic songs and show off our patriotism by posting patriotic images on social media and the very next day we discard those flags in the drains. When I see the heaps of garbage everywhere, small kids working as child labourers, people dying because of lack of food or medical treatment, discriminating against women, I feel ashamed of myself.
