Passive Income Ideas Sara Nina,2020-07-02 Hundreds of thousands of Internet marketers are fully focused on getting passive income It is by far the most tempting form of income since it lets you earn money on a regular basis even if you are not active with work Because of the hype that this concept generates many people come up with their own dream interpretations of it and unfortunately some are missing the mark It is better to take a closer look at it as well as the things you should expect if you decide to pursue that goal It is highly unlikely to achieve this passive income status overnight Think of it like a rocket where you need to build a bunch of energy to launch it But once it is in the air you only have to do a fraction of the effort to keep things going Creating an actual pathway is actually the time consuming bit If it was really a simple thing

to do everyone would be getting involved rather than sticking with tedious ways in earning money Unfortunately it is not that simple and you can't just create wealth out of thin air Your only other alternative involves buying a possible passive income channel

The concept of making money when you sleep has drawn a crowd to the pursuit of passive income Theoretically you put in
some time and money in the start then relax and let the money pour in when you focus on other things This appears like a
dream become a reality but it s mostly only a dream In today s workforce relying on one income source is risky Job protection
is rarely guaranteed and a little extra cash is useful always By using your primary income source to cover basic expenses you
may use extra income streams to pay off debts reduce your economic burden or avoid going further into debt when you are
able to pay for larger purchases up front rather than with a credit card or loan Conversely passive income is cash that
continues to pay out following the initial work is done Traditionally income that were considered passive generally included
money earned from investments in shares or profit acquired by a person who had invested in accommodations property but
wasn t involved in the management or day to day functions of that property This book covers Passive Income Dropshipping
