Professional Journal of the United States Army, 2016-07 **Military Review**, 2016 **Current Law Index**, 2004 An Invitation to Environmental Sociology Michael Mayerfeld Bell, Loka L. Ashwood, Isaac Sohn, Leslie, Laura Hanson Schlachter, 2020-09-23 If there were ever a time for environmental sociology, it is now. As COVID-19 is spreading across our communities, our countries, our world, we have all become too familiar with maintaining that awful term of social distance. Yet there can be no true distance from that which is always with us and within us: our social ecology. *An Invitation to Environmental Sociology* invites students to delve into this rapidly changing field. Written in a lively, engaging style, the authors cover a broad range of topics in environmental sociology with a personal passion rarely seen in sociology texts. The book's unique organization explores three different kinds of questions about interactions between humans and the natural world: the material, the ideal, and the practical. The Sixth Edition of this bestseller comprises 12 chapters instead of 13, making it easier to fit into the normal rhythm of a course. But the result is also an edition that is up-to-date and enriched with much newer material while continuing to use an inviting tone.
