- **Question 1**  
2 out of 2 points

Globalization offers numerous benefits to organizations, including all of the following except

**Selected Answer:** decreased job security.

**Response Feedback:** Globalization offers numerous benefits to organizations in terms of larger markets, lower costs, and greater access to knowledge and innovation. At the same time, there is considerable debate about whether globalization benefits developing nations and the extent to which it is responsible for increasing work intensification, reduced job security, and poor work/life balance in developed countries.

- **Question 2**  
2 out of 2 points

As part of the knowledge management process, experimentation is conducive to

**Selected Answer:** knowledge acquisition.

**Response Feedback:** Knowledge acquisition includes extracting information and ideas from the external environment as well as through insight. It involves individual learning, environment scanning, grafting, and experimentation.
