Business Guide In Operational Research:

A Guide to Operational Research Walter E. Duckworth, 2012-12-06 There is nothing more difficult to take in hand more perilous to conduct or more uncertain in its success than to take the lead in the introduction of a new order of things because the innovator has for enemies all those who have done well under the old conditions and lukewarm defenders in those who may do well under the new Machiavelli The Prince When this book was first written in 1959 I was myself a practising operational research worker in charge of a small group at the Glacier Metal Company concerned with using Operational Research philosophy and techniques to help solve some of the managerial problems inside the company About that time Operational Research was beginning to attract attention in industrial circles Many quite large research groups were being founded The advertisement columns of the Sunday press and certain daily newspapers were full of advertisements for Operational Research practitioners at then quite attractive salaries

Operational Research in Agriculture and Tourism Evangelia Krassadaki, George Baourakis, Constantin Zopounidis, Nikolaos Matsatsinis, 2020-05-05 This book presents a diverse range of recent operational research techniques that have been applied to agriculture and tourism management It covers both the primary sector of agriculture and agricultural economics and the tertiary sector of the tourism industry Findings and lessons learned from these innovations can be readily applied to various other contexts The book chiefly focuses on cooperative management issues and on developing solutions to provide decision support in multi criteria scenarios
