Saladis, 2017-04-12 Sharpen your project management skills and prepare for the latest PMP CAPM exam The Project Management Workbook and PMP CAPM Exam Study Guide is a two in one resource for mastering the Project Management Body of Knowledge PMBOK As the companion to Project Management A Systems Approach to Planning Scheduling and Controlling this book provides the opportunity to strengthen your understanding of project management in real world application with questions problems and cases designed to enhance your critical thinking skills Functioning as a stand alone study guide to the Project Management Professional PMP Certification Exam this book helps you develop the critical skills of a successful project manager with questions that show you what to expect on exam day Interesting enjoyable and thought provoking this workbook and study guide helps you dig into the PMBOK and gain the professional insights that come only

from applying what you've learned Reading the PMBOK doesn't fully prepare you to pass the PMP exam let alone function as a project manager in the real world Understanding how to apply the various methodologies is vital to your success and this book gives you a wealth of guided practice to hone your skills in advance Practice applying project management concepts Test your grasp of the PMBOK methodology Preview the PMP with simulated exam questions Enhance your critical thinking and project management skills The project manager's role is broad in scope and detailed in function Don't try to memorize the PMBOK internalize it this approach gives you a ready body of knowledge available for recall as needed and helps you become a more efficient more effective project manager Instinctive knowledge comes from copious practice and the Project Management Workbook and PMP CAPM Exam Study Guide is your ideal resource for developing your skills PMI PMBOK CAPM PMP and Project Management Professional are registered marks of the Project Management Institute Inc **CAPM® in Depth** Paul Sanghera, 2018-07-03 Use this study guide to prepare for the Certified Associate in Project Management CAPM exam based on PMBOK's sixth edition administered by the Project Management Institute PMI The revised and updated second edition of the best selling CAPM in Depth has a laser sharp focus on the exam objectives for project managers and others who want to pass the CAPM exam No prior knowledge of project management is assumed The chapters and the sections within each chapter are presented in a logical learning sequence The concepts and topics both simple and complex are clearly explained when they appear for the first time This facilitates step wise learning prevents confusion and makes this book useful for those who want to get up to speed quickly to pass the CAPM exam even if you are new to the discipline of project management This book tells the story of project management in a cohesive concise yet comprehensive fashion Unlike most CAPM exam books this book is not just an exam cram book It is an easy to understand guide that is a valuable reference both before and after the exam What You'll Learn Understand the body of knowledge required to earn the Certified Associate in Project Management CAPM certification Acquire the knowledge needed to successfully manage projects in any field Who This Book Is For Project management practitioners preparing for the CAPM exam entry level project managers and project team members preparing for the CAPM exam beginners who want to join the field of project management and get up to speed quickly project managers who need a quick and easy reference to the discipline of project management instructors and trainers who need a textbook for a course on project management **CAPM Exam Prep Complete Study Guide (Human Authored): with Project Management E-Learning Course and 1650 Practice Q&A (Certified Associate in Project Management)** A. Togay Koralturk, 2025-09-10 THE MISSING SINGLE SOURCE NEEDED TO PASS THE CAPM EXAM ON YOUR FIRST TRY Written to produce the missing single source that completely covers the exam scope the CAPM Exam Prep Complete Study Guide offers the most extensive coverage of the CAPM exam on the market and is designed to be the only source a candidate needs to pass the exam Written by the best selling author of LEED study guides this game changing CAPM exam prep guide simplifies even the most challenging topics and helps the reader learn rather than memorize the

essential information for the exam This approach equips candidates to successfully pass the CAPM exam on the first try and effectively apply this knowledge to real life projects The CAPM exam includes predictive agile and hybrid project management approaches There is no chance of passing the exam if you are familiar with only one approach which is the case for most test takers Therefore this guide teaches all approaches and exam topics in great detail and is aligned with the PMBOK Guide Seventh Edition As project management practices have undergone dramatic changes in the last decade PMI introduced a radical transformation in its standards as well as the CAPM exam content which is no longer structured around the PMI s Process Groups model Therefore this book is not an update from a previous edition Instead it has been written from scratch to reflect this significant transformation as it would not be feasible to create a guide that properly addresses this crucial shift in project management practices otherwise This book includes a complimentary subscription to the CAPM Fast Forward e learning course which features over 400 videos Upon completion the course provides the 23 contact hours required to sit for the CAPM exam
