

CompXM (Capsim final exam)

Students will individually complete a final take-home exam assigned by Capsim (called CompXM) to demonstrate what was learned in the Capsim simulation. CompXM has two components: (1) an individual simulation and (2) multiple choice questions about the simulation. You can access the exam on capsim.com and finish it in multiple settings. Don't wait until the last minute (Capsim estimates that it will take around 5 hours for most students).

The exam is administered through Capsim. You can begin the test at 11/27 at 12:00 AM. The test must be submitted by 12/08 at 11:55 PM.

Comp-XM has two sections:

- 1.) A business simulation similar to the one you just completed and
- 2.) A series of quizzes, called Board Queries, that ask questions related to your simulation environment.

Comp-XM is familiar, yet different from your experience in Capstone or Foundation. You are the CEO. You will be making decisions on your own; you will not be a member of a team. Like Capstone or Foundation, Comp-XM uses a spreadsheet and a web interface.

There are two parts to Comp-XM: A four-round simulation, and a series of web-based quizzes called Board Queries. Board Queries are questions posed by your Board of Directors. They are drawn from the unique results of your simulation. You could appear before the Board up to five times to answer their questions about your company.
