

# The Day Sarah Met Mr. Right

## A RIGHT/LEFT GIFT EXCHANGE POEM

This story starts where another one **left** off, like all good stories do.  
It's about a girl named Sarah who **right** now is just feeling a bit blue.  
Her dog is sick, someone just **left** this earth, things really just aren't great.  
And **right** now she's on her way to what will likely be a terrible date.  
On the walk to the date, she realizes she **left** her gloves **right** beside her bed.  
She turns to go back to where she **left** them and runs into Mr. **Right** instead.  
His eyes are bright, his hair is just **right**, and he's as kind as someone can be.  
Sarah just stares, plays with her hair, and thinks is he staring **right** at me?  
Both Sarah and Mr. **Right** mutter hello not knowing the **right** thing to say.  
Then they both find the **right** words, and they talk the minutes away.  
During their talk Sarah gets an urgent text from the man she **left** waiting.  
Because during her chat with Mr. **Right** she forgot the man that's she dating.  
Sarah apologizes, rushes by on the **left**, and leaves Mr. **Right** on his own.  
Before they even **write** down their numbers to call each other on the phone.  
Sarah grabs the gloves she **left** at home sitting **right** beside her bed.  
Then heads **right** to the restaurant with no time **left** to clear her head.  
On her date Sarah realizes her relationship just isn't the **right** one.  
Everything **left** in her life is a disaster and **right** now she just needs fun.  
She turns **left** out of the restaurant, and of course who is there in the night?  
It's none other than the man she **left** in the snow, the one and only Mr. **Right**.  
Hours and hours turn into days and everything seems to be going **right**.  
Until something goes wrong, someone feels **left** out, something causes a fight.  
No matter how bad it might be, a grand gesture makes everything all **right**.  
And the happy couple makes up and celebrates what's **left** of Christmas night.

Ziolkowski, 2018-10-31 This ambitious and vivid study in six volumes explores the journey of a single electrifying story from its first incarnation in a medieval French poem through its prolific rebirth in the nineteenth and twentieth centuries The Juggler of Notre Dame tells how an entertainer abandons the world to join a monastery but is suspected of blasphemy after dancing his devotion before a statue of the Madonna in the crypt he is saved when the statue delighted by his skill miraculously comes to life Jan Ziolkowski tracks the poem from its medieval roots to its rediscovery in late nineteenth century Paris before its translation into English in Britain and the United States The visual influence of the tale on Gothic revivalism and vice versa in America is carefully documented with lavish and inventive illustrations and Ziolkowski concludes with an examination of the explosion of interest in The Juggler of Notre Dame in the twentieth century and its place in mass culture today In this volume Jan Ziolkowski follows the juggler of Notre Dame as he cavorts through new media including radio television and film becoming closely associated with Christmas and embedded in children s literature Presented with great clarity and simplicity Ziolkowski s work is accessible to the general reader while its many new discoveries will be valuable to academics in such fields and disciplines as medieval studies medievalism philology literary history art history folklore performance studies and reception studies *The Christmas Hero and Yuletide Tradition in Sir Gawain and the Green Knight* Walter S.
