This land is your land, and this land is my land
From California, to the New York Island
From the Redwood Forest, to the Gulf stream waters,
this land was made for you and me
As I was walking a ribbon of highway
I saw above me an endless skyway
I saw below me a golden valley
This land was made for you and me
This land is your land, and this land is my land
From California, to the New York Island
From the Redwood Forest, to the Gulf stream waters,
this land was made for you and me
I've roamed and rambled and I've followed my footsteps
To the sparkling sands of her diamond deserts
And all around me a voice was sounding
This land was made for you and me
This land is your land, and this land is my land
From California, to the New York Island
From the Redwood Forest, to the Gulf stream waters,
this land was made for you and me
The sun comes shining as I was strolling
The wheat fields waving and the dust clouds rolling
The fog was lifting a voice come chanting
This land was made for you and me
This land is your land, and this land is my land
From California, to the New York Island
From the Redwood Forest, to the Gulf stream waters,

The Best VBS Workbook Ever! Lisa Brown, 2017 Enables organizers to envision and implement a VBS program customized for the local church Practical comprehensive from the ground up approach to VBS Designing a Vacation Bible School program as opposed to choosing one of the many off the shelf packages is a labor of love It considers the unique perspective of children and invests accordingly It's a home cooked meal compared to fast food It sends a message to parents that a church values children enough to identify and meet their specific needs in their community at a particular moment in time Well designed VBS programs speak to children with respect love and patience offering opportunity for authentic spiritual growth not to mention an intentional theology that is reflective of the church Finally custom designed VBS programs are a way to fully include children in the mission and ministry of the church rather than confine their unique gifts This book
