Building Your Academic Research Digital Identity Margaret Rush Dreker, Kyle James Downey, 2024-02-19 The purpose of this timely and stimulating book is to thoroughly prepare students early researchers and career scholars in establishing their digital identity online Broadly defined digital identity is one's online history that is it is any trail a person has left in his or her life that is now online In academics the issue of digital presence is of utmost importance as a digital identity frames one's professional reputation doing so by promoting and defining a person's knowledge and research in their respective field Written by an accomplished interdisciplinary team of scholars in library science and related fields this unique guide addresses the development of professional identity as a continuous dynamic process that is constantly evolving generally starting from university study and moving through one's professional work life It goes without saying that building your digital identity as a researcher can be an effective way to publicize your work among your peers but the authors emphasize this activity must be done carefully and skillfully Indeed developing these skills can forge a path to professional advancement in hiring promotion and tenure Moreover a well designed digital presence can help build networks which can lead to collaborations increased research and grants In addition having a well managed digital identity helps an academic engage with the public by strategically disseminating one's knowledge to students public and the media Importantly it can also help prevent misinformation Whether readers are new in the field of research and publishing or have a well established portfolio of written literature this handy title will provide vital guidance in establishing a digital presence covering a wide range of issues Key topics discussed for example include academic digital platforms and tools to consider when using them working with academic librarians social media platforms choosing digital identity management tools like Open Researcher and Contributor ID or ORCID the importance of author metrics and the h index and maintaining and curating a professional website to name just several areas discussed An invaluable contribution to the career literature Building Your Academic Research Digital Identity will enable readers to strategically understand all the tools platforms and metrics needed to establish and cultivate one's crucially important digital profile

Other Floors, Other Voices John M. Swales, 2013-11-05 The author describes this volume as a textography because it combines certain elements of both text analysis and ethnography Through analysis of texts textual forms and systems of texts it shows the lives life commitments and life projects of people deeply embedded in the literate culture of the university The people examined work in a single building but their textual lives are maintained in different times and spaces measured by the dimensions of text production and text circulation in their fields of work These domains of text time and space are to some degree differentiated by the three specialties that mark the three floors of a small building at a major research university the ethnographic site of this journey into textual lives computing taxonomic botany and English as a second language This research site provides the opportunity to re-examine the concept of discourse community and to investigate the nature and origination of academic discourse from a new perspective

The author is a distinctive member of the applied linguistics and composition communities an original stamped by the global village of language education in which he has lived his life and revealed in his own autobiographical account embedded within this book This book now reveals him as a person making text about how people are embedded in making their textual lives within the discursive landscapes their communities afford In doing so he shows not only his own love of language as a way of life but also his appreciation of how all his subjects find their labors of love in the language they create This book has been written to appeal to a general academic audience as well as to specialists in rhetoric discourse analysis and composition

Other Floors, Other Voices, Twentieth Anniversary Edition John M. Swales, 2018-04-10 John Swales textography might also be called comparative rhetoric in a small building offering proof once again that another culture may be only a trip up or down a flight of stairs such an appealing and original book BAAL News Originally published in 1998 Other Floors Other Voices uses texts to capture the lives of three communities operating within a single building the North University Building or NUBS on the University of Michigan campus Swales thoughtful exploration of the three units the Computer Resource Site the University Herbarium botany and the English Language Institute centers around the individuals who work on each floor and the discourse related activities they engage in The Twentieth Anniversary Edition of Other Floors Other Voices includes a new preface an introductory essay on the value of rereading this volume many years after publication and an epilogue that reflects on and reveals what has happened to the three units in the past 20 years System-Based Vision For Strate Franco Bontempi, 2003-01-01 Objective of conference is to define knowledge and technologies needed to design and develop project processes and to produce high quality competitive environment and consumer friendly structures and constructed facilities This goal is clearly related to the development and re use of quality materials to excellence in construction management and to reliable measurement and testing methods **Asha** American Speech-Language-Hearing Association, 1993 **Florida FL Reporter** , 1965 **Linguistics and Language Behavior Abstracts** , 1996 *Webster's Illustrated Encyclopedic Dictionary* , 1990 **TLS, the Times Literary Supplement** , 1973 **Musikalische Volkskultur als soziale Chance** Deutsche Gesellschaft für Volkskunde.
