The book is documented extensively throughout and grounded in the latest research and theory with suggestions for applying theory to practice reflecting cutting edge research and topical issues facing principals in schools today. Advancing Islāmic Psychology Education G. Hussein Rassool, 2023-07-20. This book provides academic and clinical institutions for developing their educational programmes in psychology psychotherapy and counselling from an Islāmic paradigm. Examining the educational approach in the decolonisation of psychology curricula the book proposes a vertically and horizontally integrated embedded curriculum model. This model meets the changing needs of practitioners incorporating indigenous cultural aspects and emerging technologies to reflect new and creative ways of thinking about delivering education in the post Covid 19 era. The chapters also demonstrate how curriculum development based on the principles of Islamic education helps institutions to establish purpose define activities and guide decision making in educational development. A series of steps for implementing this need driven educational programme has been suggested. This practical concise and evidenced based text will be a key resource for educators and trainers. It will help them understand how to re design or suggest changes to curriculum structure shape and content in Islāmic psychology psychotherapy and counselling for undergraduate postgraduate and continuing professional development levels of education. *Handbook of Research on Enhancing Teacher Education with Advanced Instructional Technologies* Ololube, Nwachukwu Prince, 2015-07-17.
