

How do you write a dialogue?

Writing dialogue involves creating a conversation between two or more characters. Here are some steps to follow when writing a dialogue:

Pick Your Characters:

Identify the characters involved in the conversation and their personalities, backgrounds, and motivations. This will help you create authentic dialogue that reflects their unique voices.

Set the Goal:

Determine the purpose of the conversation. What do the characters want to achieve or convey to each other? This will help you structure the dialogue and keep it focused.
