*Autodidact* Sanjay Rajarao, *Autodidact* is an anthology of compassion and hardwork compiled by an amazing compiler. Compassion gives us the ability to understand someone else's situation and the desire to take action to improve their lives, whereas hardwork is the key to achieve anything in life. Compassion and hardwork are two sides of a coin but can sometimes go hand in hand. Often we may work hard to achieve something but we may not be compassionate to others. A man must be composed of compassion and hardwork for him to reach the heights of success. *Autodidact* is a collection of poetry, stories, and open letters that talk about how important it is to be hardworking and how being compassionate helps in life for an individual to grow.
