Financial Strategies in Competitive Markets Hasan Dinçer, Serhat Yüksel, 2021-04-13 As globalization continues to rapidly evolve economic borders between countries have practically disappeared One effect is that nowadays companies can access new markets by investing in other countries This offers an important advantage especially for international and large scale companies However one result is the increased market competition Small scale local firms and SMEs have to compete with international firms and corporations that have significantly more resources This competitive environment jeopardizes the sustainability of the smaller companies which

often are driven out of business by the more powerful global players This book discusses financial strategies for small and middle size companies to increase their competitiveness in the global markets **BASIC MARKETING** William D.
