abandoned her With her friend Kate in town Enza s looking forward to her first Christmas in Bayou Sabine surrounded by those she cares about most But instead the holiday ends in turmoil One guest puts someone Enza loves and her relationship with Jack in danger and another guest brings news that makes Enza question the circumstances surrounding her mother s departure Enza fleeing Jack and the drama in Bayou Sabine sets off with Kate on a road trip la Thelma Louise But will she find answers about her mother s disappearance and the strength to accept the truth And will she return home in time to save everything that s important to her If you like the heart and story of novels by Emily Giffin such as *The One Only* and enjoy the romance in books by Robyn Carr this exciting new voice in Southern fiction is for you Author Interview What was your inspiration for the Bayou Sabine series It started with a dare In grad school I wrote a short story and dodged a love scene and was teased mercilessly I was writing with a more literary bent so my friend dared me to get out of my comfort zone and write a romance story saying it would help my other writing The more I wrote the more fun I had and it turned into Bayou My Love I fell in love with the characters and didn t want Enza s and Jack s stories to end So I knew it had to be a series What do you hope readers will get out of your books I see mystery humor drama and romance in some combination every day and those elements are woven into my books But in the end I just want readers to enjoy being a part of the world I create I hope they enjoy the characters and their stories as much as I do How does the mystical and fiery setting of the Louisiana bayous play into your books Louisiana has an undeniable fire to it the Bayou heat It s mysterious and fascinates me because of its history and blend of cultures its resilience its passion for the arts the connections people have to their histories and the land There s beauty mystery and heartache just like in every good story it was the natural setting for Enza s story because she embodies those elements herself even if she doesn t realize it until she s there In what order should I read the books Each book can stand alone but I recommend Bayou My Love to get straight to Enza and Jack s story Back to Bayou Sabine for a glimpse of how it all started Bayou Whispers from the Past to see where Enza and Jack s story goes next Beneath Our Skin free when you join my mailing list <http://bit.ly/laurennews> What are your favorite genres to read Women s fiction literary fiction and paranormal romance I respond to certain things in each genre whether it s wit an unforgettable love scene or the zing of a top notch metaphor Ultimately the books I love best have characters that thrill and haunt me and bring me delight

Bayou My Love Lauren Faulkenberry, 2016 Romance fire suspense Louisiana s about to get a whole lot hotter Thirty year old Enza Parker is at a crossroads To prove to her overbearing father she can flip a house on her own she takes on an ambitious project and it puts her in the path of the most alluring man she s ever met Enza plans to flip the house she inherited from her estranged grandmother Vergie in Bayou Sabine Louisiana As a child she spent summers there until the day her mother Vergie s daughter inexplicably left Since then Enza hasn t let anyone get close to her Arriving in Bayou Sabine Enza finds her house occupied by bedeviling firefighter Jack Mayronne Enza has no intention of being a landlord but Jack convinces her to let him stay in exchange for helping her with repairs With only six weeks to fix the house and sell she s

determined to prove her father wrong but she didn't count on all the delicious ways Jack could distract her. When Enza's fling with Jack intensifies, she finds herself entangled with a vengeful arsonist from Jack's past. As she reaches her breaking point, she must decide: Should she sell the house and leave her past in Bayou Sabine behind for good, or can she overcome her fears and build a new life there with Jack? If you like the heart story of novels by Emily Giffin such as *The One Only* but also enjoy the steam of Bella Andre and Melissa Foster's romance novels, this sexy Southern romance is for you.

Author Interview What was your inspiration for the Bayou Sabine series? It started with a dare. In grad school, I wrote a short story and dodged a love scene and was teased mercilessly. I was writing with a more literary bent, so my friend dared me to get out of my comfort zone and write a romance story, saying it would help my other writing. The more I wrote, the more fun I had, and it turned into *Bayou My Love*. I fell in love with the characters and didn't want Enza's and Jack's stories to end. So I knew it had to be a series.

What do you hope readers will get out of your books? I see mystery, humor, drama, romance in some combination every day, and those elements are woven into my books. But in the end, I just want readers to enjoy being a part of the world I create. I hope they enjoy the characters, their stories as much as I do.

How does the mystical, fiery setting of the Louisiana bayous play into your books? Louisiana has an undeniable fire to it, the Bayou heat. It's mysterious, fascinates me because of its history, blend of cultures, its resilience, its passion for the arts, the connections people have to their histories, the land. There's beauty, mystery, heartache just like in every good story; it was the natural setting for Enza's story because she embodies those elements herself, even if she doesn't realize it until she's there.

In what order should I read the books? Each book can stand alone, but I recommend *Bayou My Love* to get straight to Enza and Jack's story and their steamy romance. *Back to Bayou Sabine* for a glimpse of how it all started. *Bayou Whispers from the Past* to see where Enza and Jack's story goes next.

Fall 2016: *Beneath Our Skin*, a free short story. <http://bit.ly/laurennews>

What are your favorite genres? Women's fiction, literary fiction, paranormal romance. I read a wide variety of genres, so it's no surprise my books contain elements of each. I respond to certain things in each genre, whether it's wit, an unforgettable love scene, or the zing of a top-notch metaphor. Ultimately, the books I love best have characters that thrill, haunt me, and bring me delight.
