The perspective is from the end of the aisle, looking down its length towards a bright light source at the far end. The lighting is warm, and the colors of the book spines are varied.

Developing A Centralized Internship Program At Liberal Arts University:

Developing a Centralized Internship Program at Liberal Arts University Dr Hester Young Edd, Hester Young, 2014-12-20 Dr Hester Young submitted this applied research dissertation to the Fischler School of Education and Human Services Nova Southeastern University in fulfillment of the requirements for the degree of Doctor of Education in 2009. Although the evaluation and research was conducted at a liberal arts four-year university, the contents and evaluation will provide resources for the development of your internship program. It is also our hope that businesses will be able to glean the structure and process of undergraduate internship program development. The abstract is presented to give you an overall perspective of this body of work. Internships, High-Impact Practices, and Provocative Praxis in Higher Education Beth Manke, Bonnie Gasior, Michelle Chang, 2023-12-06 This authored text critically examines the theory and practice of college internship programs grounded in equity, diversity, inclusion, and access (EDIA) to examine issues such as infrastructure, inclusion, and privilege through provocative praxis, a form of provocative inquiry that drives the ethics of pedagogy to envision student success both equitably and sustainably. Chapters use real-life scenario-based examples through a social justice framework to engage readers and spark multi-directional discussion aimed at removing obstacles to equitable participation in internships for all students. Ultimately, this book offers a holistic understanding of internships that factors in the social, economic, and cultural challenges faced by college students today and calls for wholesale reform to college campus internship programs. *Resources in Education*, 1990 **Metropolitan Universities**, 2001 **NACE Journal**, 2006 **Resources in Education**, 1996 **Complete Book of Colleges, 2005 Edition** Princeton Review (Firm), 2004-07-20 Up-to-date information on 1,780 colleges and universities.
