**"A" New Variorum Edition of Shakespeare** William Shakespeare,1877 **Devils Or Angels (the Collection)** Dan Roberson,2012-10 Enter my world where demons and angels cross borders and change identities where tricks can happen from either side and where angels can be mean and devils can be nice It is a place where love and hate exist side by side Enter and make your choices Each of us during our lifetime encounters angels and demons There is little to distinguish the two because demons and or angels can be in the form of adult or child man or woman a healthy person or a disabled one It is their actions that finally show which side of the spiritual battle they re on During a human s lifetime he she makes choices which determine which group he is allied with Should the choices be vile or consistently bad then that individual might be classified a demon If he or she makes more good

choices he might be considered an angel In the eyes of other humans what kind of actions would make a person an angel or a demon Does it take a preponderance of actions to decide the case If a person makes a terrible mistake is she a demon for the rest of her life or is it merely a learning experience If one great action is done is the performer then considered an angel Perhaps it is not the action but the motive behind the action that determines whether a person is considered a devil or angel In the collection Demons or Angels choices are being made The reader should decide whether each character is good or evil at the conclusion of the story Is there enough evidence to convict him or her of being a demon or angel Behind each character the motives to do good or evil exists Should his her slate be wiped clean if she he does an opposing action of equal value

The Devil Angel In the beginning of time when the Earth was created by God His loyal and most highly ranked Archangel Damian disobeyed His orders and flawed God s project on Earth by bringing evil to mankind Damian disobeyed God by trespassing on Earth and having a romantic relationship with a female human Though Damian did not intend for this to happen she conceives his child Damian is then apprehended and brought back to Heaven to be executed for disobeying God s orders There in Heaven while awaiting execution Damian musters the Archangels and many other Angels that are loyal to him to rebel against God s loyal legions and fight a battle for control of the Heavens and Earth They lose the battle and are banished for eternity from the Kingdom of Heaven Many are killed They are thrown out of Heaven and fall to Earth The Devil Angel the child of Damian is born on Earth and is given a life purpose here on Earth to destroy all evil kind The Devil Angel sleeps for centuries Then he is awakened to a journey here on Earth He goes through battles with mankind and demons through which he realizes he s a coldhearted killer when battling evil kind The Devil Angel is half Archangel and half human has unbelievable strength powerful weapons and heals quickly sustaining no scars or bruises He has big wings that he can disguise as clothing a ten foot tail that disappears into his spinal cord and Mia his second pair of eyes that follows him everywhere Mia is full of knowledge is very intuitive and has the ability to hack any computer system anywhere The Devil Angel starts to change from good to evil as he battles crime daily but at some point he feels sorry for mankind and wants to understand why people are the way they are and seeks to find out more about them His heart yearns more and more not just to fight crime but to help the humans who need help He develops love for mankind and sometimes forgives them for their sins He also searches for his father Damian by gathering information from crime scenes of demons The Devil Angel puts together his own team to assist him in his search for his father and his follower demons while the churches corporate businesses and governments around the world seek his help in getting rid of the bad people here on Earth He is basically a hit man for these organizations They offer him donations in return for his delivering death certificates to these individuals These donations go to the starving children of God s people and helping other people in need The Devil

Angel gives all of his earnings back to God's people. For a while he cleans up the world by fighting against evil. While he is fighting against evil, he sees that not only bad people on Earth but good people as well become sinners by falling prey to greed, lust, egotism, competition, and corruption. He discovers that he has been contracting to kill people who are partly good as well as those who are pure evil. At the same time he has been contracting to kill bad people; he is becoming the Devil himself by killing good people too. So he gets angry and starts to go insane because of his guilt and confusion, and because he realizes he cannot trust anyone but himself. Meanwhile, Damian and his followers living on Earth are busy bringing ruin on mankind by turning people into rebels against one another and God himself.

In the middle of Las Vegas there is a woman that is the envy of all sought out by any man who crosses her path; untouchable to those who crave her. Devrynné may look like an angel, but what lies beneath her emerald eyes tells a story far different. A story of love, betrayal, heartbreak, death, and vengeance. One so twisted that even Lucifer himself is about to wash his hands of her. She is at the top of the world, wealthy and more powerful than most in her position, but it's because of years of playing Luc's games, learning how to work the system that has led her to be this way. Nothing can stop her now when she is so close to being truly happy. That was until Mr. Casella showed up from an organization called the Guardsmen, holding all the keys to unraveling the web of lies she lived on. Now it is a race against time as Devrynné relives the horrible past, the lessons she learned in blood, trying to find a way to get out of being brought to justice for the death of her sire. Will she find a way out of the trouble she's gotten into without the help of Luc, or will she have to make another deal like so many that has led her to be The Devil's Angel?
