Dark in Death J. D. Robb, 2018-01-30 Lieutenant Eve Dallas returns in Dark in Death by J D Robb the 1 New York Times bestselling master of suspense and takes on a case of death imitating art It was a stab in the dark On a chilly February night during a screening of Psycho in midtown someone sunk an ice pick into the back of Chanel Rylan's neck then disappeared quietly into the crowds of drunks and tourists in Times Square To Chanel's best friend who had just slipped out of the theater for a moment to take a call it felt as unreal as the ancient black and white movie up on the screen But Chanel's blood ran red and her death was anything but fictional Then as Eve Dallas puzzles over a homicide that seems carefully planned and yet oddly personal she receives a tip from an unexpected source an author of police thrillers who recognizes the crime from the pages of her own book Dallas doesn't think it's coincidence since a recent strangulation of a sex worker resembles a scene from her writing as

well Cops look for patterns of behavior similar weapons similar MOs But this killer seems to find inspiration in someone else's imagination and if the theory holds this may be only the second of a long running series The good news is that Eve and her billionaire husband Roarke have an excuse to curl up in front of the fireplace with their cat Galahad reading mystery stories for research The bad news is that time is running out before the next victim plays an unwitting role in a murderer's deranged private drama and only Eve can put a stop to a creative impulse gone horribly destructively wrong From the author of *Echoes in Death* this is the latest of the edgy phenomenally popular police procedurals that Publishers Weekly calls inventive entertaining and clever **The Triumph of Death** Gabriele D'Annunzio, 1896 *Brotherhood in Death* J. D. Robb, 2016

The new novel featuring homicide detective Eve Dallas from the #1 New York Times bestselling author of *Devoted in Death* Sometimes brotherhood can be another word for conspiracy Dennis Mira just had two unpleasant surprises First he learned that his cousin Edward was secretly meeting with a real estate agent about their late grandfather's magnificent West Village brownstone despite the promise they both made to keep it in the family Then when he went to the house to confront Edward about it he got a blunt object to the back of the head Luckily Dennis is married to Charlotte Mira the NYPD's top profiler and a good friend of Lieutenant Eve Dallas When the two arrive on the scene he explains that the last thing he saw was Edward in a chair bruised and bloody When he came to his cousin was gone With the mess cleaned up and the security disks removed there's nothing left behind but a few traces for forensics to analyze As a former lawyer judge and senator Edward Mira mingled with the elite and crossed paths with criminals making enemies on a regular basis Like so many politicians he also made some very close friends behind closed and locked doors But a badge and a billionaire husband can get you into places others can't go and Eve intends to shine some light on the dirty deals and dark motives behind the disappearance of a powerful man the family discord over a multimillion dollar piece of real estate and a new case that no one saw coming
