into the very heart of God's perfect plan for our lives Yolanda Pierce associate professor Princeton Theological Seminary Moses received God's Ten Commandments atop a mountain and ever since they've served as the moral spiritual foundation for the Judeo Christian world But are they still relevant in today's high tech religiously diverse sexually aggressive world Of course they are In this book **The Ten Loves of God** Win Green celebrates the gift that each command offers **Keeping the Ten Commandments** J. I. Packer, 2008-01-07 They're often mistakenly considered God's rules his outdated list of do's and don'ts that add up to a guilt ridden legalistic way of life But as beloved author and Bible scholar J I Packer probes the purpose and true meaning of the Ten Commandments you'll discover that these precepts can aptly be called God's blueprint for the best life possible They contain the wisdom and priorities everyone needs for relational spiritual and societal blessing and it's all coming from a loving heavenly Father who wants the best for his children Not only does Packer deliver these truths in brief readable segments but he includes discussion questions and ideas for further study at the end of each chapter This book will challenge you to view the commandments with new eyes and help you to understand perhaps for the first time the health hope and heritage you're offered there *A Layman's Daily Devotional* Curt Donahue, 2017-02-27 *A Layman's Daily Devotional* was written by a layman for laypeople of all ages It is mostly devoid of theological terms so it is easier for the average person to understand There are applicable illustrations to help people comprehend the message from Scripture and its application to the message of the day There is a devotion for every day of the year and several devotions for specific days in the Christian calendar as well as for days on which we honor both mothers and fathers The reader will likely gain a closer relationship with their Lord and Savior Jesus Christ through daily use and may also develop a closer relationship with family members when used as a family devotion The changing and challenging circumstances in our world today require closer relationships with both God and family *A Layman's Daily Devotional* lends itself to development of both relationships With few exceptions each devotion is a stand alone devotion This book would make a meaningful gift to a young person venturing out on their own who could develop the habit early of spending time each day with God which is always a good way to start every day *A Layman's Daily Devotional* is written such that it can be used year after year throughout one's life
