

Goals of the DFEH Case Grading System

- **Focus on Merit:** Implement an investigation process that identifies and fully investigates the most meritorious cases. End the previous “first in first out” system that did not consider the case’s relative merit.
- **Move Cases Faster:** Reduce consultant case loads by moving cases faster through the investigation process. Close non-merit cases sooner, and transfer merit cases to the Legal Division faster.
- **Closer Involvement by Legal Division:** Provide the litigating attorneys the ability to shape the cause cases prior to their transfer to the Legal Division.
