The e-book is written for EFL (English as a Foreign Language) students who are too busy to take a course in travel English but who still want to learn English they need for world travel. The book focuses on topics, not grammar. Each chapter includes a short and a long conversation. Students can easily practice changing words in the long conversations by changing underlined words. The book is designed for self-study with lots of exercises on vocabulary, new words and phrases, reading comprehension, and grammar patterns. You can easily check your answers with an answer key at
