Bataille et combats
pendant la guerre en dentelles

Bataille Rocoux Laurent Vergez

Laurent Vergez

Bataille Rocoux Laurent Vergez:

European Military Rivalry, 1500-1750 Gregory Hanlon, 2020-03-26 European Military Rivalry 1500 1750 Fierce Pageant examines more than 200 years of international rivalry across Western Central and Eastern Europe and the Mediterranean rim The book charts the increasing scale expenditure and duration of early modern wars the impact of modern fortification on strategy and the movement of armies the incidence of guerrilla war and localized conflict typical of the French wars of religion the recourse by warlords to private financing of troops and supplies and the creation of disciplined standing armies and navies in the age of Absolutism made possible by larger bureaucracies In addition to discussing key events and personalities of military rivalry during this period the book describes the operational mechanics of early modern warfare and the crucial role of taxation and state borrowing The relationship between the Christian West and the Ottoman Empire is also extensively analysed Drawing heavily upon international scholarship over the past half century European Military Rivalry 1500 1750 Fierce Pageant will be of great use to undergraduate students studying military history and early modern Europe « *Changer le système de la guerre* » : le siège en Nouvelle-France, 1755-1760 Michel Thévenin, 2020-10-19 T00:00:00-04:00 1759 Le chevalier de La Pause un officier français combattant en Nouvelle France depuis 1755 note dans son journal Toute la science de la guerre en Canada consiste dans l'attaque ou la défense des postes qui ferment ou ouvrent la communication d'une frontière l'autre Cette remarque reflète dans l'esprit des officiers européens la place occupée par la guerre de siège dans la conduite de la guerre en Amérique Par extension elle montre également l'importance de cette pratique particulière de la guerre dans la culture militaire des armées européennes au milieu du XVIII^e siècle Ce livre met en lumière la pratique de la guerre de siège en Nouvelle France lors de la guerre de Sept Ans en la comparant avec le modèle théorique du siège en vigueur dans l'Europe du siècle des Lumières *Rocoux 1746* Laurent Vergez, 2017-06-15 La guerre en dentelles cette expression que nous devons Voltaire renvoie toujours aux mêmes images popularisées par Fanfan la tulipe sur le grand cran splendeur des uniformes courtoisie des châteaux et batailles livrées devant un public choisi dames et gentilhommes d'oeuvres Et pourtant quelle que ce soit l'époque la guerre n'est ni une partie de plaisir ni un spectacle Louis XV le soir de Fontenoy ne donne-t-il pas son fils le Dauphin une leçon de tempérance la vue de l'horreur du champ de bataille Voyez tout le sang que coûte un triomphe Le sang de nos ennemis reste le sang des hommes La vraie gloire c'est de l'épargner Un an après les combats sont toujours aussi rudes Si elle est moins connue que Fontenoy la bataille de Rocoux est tout aussi représentative de ce que sont les affrontements pendant la Guerre de Succession d'Autriche Ce sont les mêmes protagonistes les mêmes armes la même tactique Maurice de Saxe domine par son génie et par la puissance de ses troupes Point d'échange courtois ou de citation célèbre mais une violence omniprésente l'image des fantassins français qui chargent baïonnette au canon pour être plus efficaces Peut-être encore plus que Fontenoy la bataille de Rocoux mérite donc d'être connue Il convient donc d'ausculter ce que l'historien John Keegan appelle l'anatomie de la bataille de Rocoux son

contexte les forces en présence la bataille en elle-même Comme les dames en dentelles du XVIIIe siècle soyez curieux prenez
vos sièges et bonne lecture
