**THE**

**TRANSCERENCE OF SPIRITS** Samson Ajilore, 2015-12-19 The Bible speaks differently of the transference of spirits from the secular world. It speaks of the transference of the anointing of the Holy Spirit from one person to another person or people. This will result in the person or people to whom the spirit has been transferred walking in similar or even greater manifestation of the Spirit than the person from whom it was transferred. We see this in Elisha who did twice as much miracles as his spiritual father Elijah after he received the mantle or transference of his twain spirit. The Bible records that exactly twice as much miracles were done in the ministry of Elisha to that of Elijah. Elijah's last miracle, the parting of River Jordan, was Elisha's first. Consequently, he took off from where his spiritual father had stopped and advanced further beyond him.

*Global Pentecostal and Charismatic Healing* Candy Gunther Brown, 2011 Divine healing is an essential marker of the global phenomenon of Pentecostal and Charismatic Christianity. But although we know that healing is central in these movements, we know surprisingly little about how divine healing beliefs and practices reflect the interplay of local and global patterns of cultural development. The essays in this collection seek to discover what is the same and what is different about such beliefs and practices in diverse contexts, trace formal and informal lines of cultural influence across geographic and national boundaries, and ask how healing both reflects and contributes to larger processes of globalization. The collection not only fleshes out a picture of how and why spiritual healing is practiced in diverse cultural contexts and how healing practices reflect and shape the transnational spread of Christianity, it also provides insight into the nature of globalization. The authors attend to a wide range of issues, including the theological rationales for divine healing, the symbolic objects and ritual enactments employed, the cultural controversies surrounding these practices, the relationship between Christian healing and local or indigenous healing traditions, whether an emphasis on financial prosperity is always present, and the extent to which Pentecostal and Charismatic churches are networked and the role of healing in such networks. With nearly all new essays, this informative volume, edited by Candy Gunther Brown, contains a forward by Harvey Cox and contributions from an international team of sixteen professors, academics, and scholars.

**Rediscovering Jesus in Our Places** Elia Shabani Mligo, 2020-05-28 The question of contextual theology and its relevance to Africa in this time of globalization, whereby there are rampant, uncontrolled changes in cultures, technologies, economic policies, and even people's religious lives, is very urgent. How is contextual theology relevant in the ever-changing contexts of the church in Africa? Indeed, there are a number of challenges which contextual theology faces within the church in Africa which need to be addressed contextually. Some such challenges include poverty, rampant violence, homosexuality, alcoholism, the resurgence of prosperity gospel, materialistic prophets, and incurable illnesses like Ebola, HIV, and AIDS, and the current coronavirus COVID-19. However, which context in Africa? Context in Africa, as in other parts of the world, is always in flux; it is complex and fluid. There is no permanent context. The experience of Jesus in such a changing context needs to be rediscovered, depending on what transpires in each particular place at a particular time. This book addresses some of the overarching challenges that face contextual theology and how

such challenges should be addressed by the church in Africa in contemporary ever changing context for it to be relevant in Africa It also highlights the need to move from liberation and inculturation theologies to reconstruction theology in dealing with the challenges of the current church Hence the book is important to students and scholars engaging in practical systematic biblical and contextual theologies in all their branches *David Oyedepo* Bakare Adebisi,2023-10-04 In **DAVID OYEDEPO A Preacher of Faith and Wealth** take a transforming journey through the life and teachings of one of the most significant and inspiring personalities of our time Millions have been influenced by the powerful preacher visionary figure and prosperity theologian David Oyedepo s strong faith and insightful understanding of gaining both financial and spiritual plenty From his modest origins through his appointment as the founder and presiding bishop of the Living Faith Church Worldwide commonly known as Winners Chapel David Oyedepo s life is exhaustively detailed in this biography Learn about the inspiring spiritual journey of a man who overcome hardship fought the odds and became a symbol of hope for many others trying to break free from the chains of mediocrity and poverty In **DAVID OYEDEPO A Preacher of Faith and Wealth** you will learn about the enduring ideas about wealth success and faith that have helped David Oyedepo and countless others to realize their goals You will discover how to use the force of faith to conquer challenges make your wishes come true and follow the road of plenty in all facets of your life via his engrossing lectures and teachings In addition to giving a thorough account of David Oyedepo s life this in depth biography includes insightful analysis and helpful advice on how to apply his teachings to your own quest for faith riches and success This book is your entryway to a life of meaning prosperity and spiritual satisfaction whether you ve been a devoted follower of David Oyedepo s ministry for a long time or you re a novice looking for inspiration and change **DAVID OYEDEPO A Preacher of Faith and Wealth** is a must read for anybody prepared to step into their destiny claim their blessings and enjoy the rich life that God has in store Be prepared to be inspired motivated and equipped to live a life of faith prosperity and importance Don t pass up the opportunity to go with David Oyedepo on this amazing trip of faith and prosperity Get your book now and discover the keys to a life filled with success plenty and spiritual satisfaction

**Who is Afraid of the Holy Ghost?** Afeosemime Unuose Adogame,2011 Pentecostal charismatic movements present one of the most popular fastest growing religious movements within contemporary Christianity The fluid elastic nature of the phenomenon particularly in its influence on mainstream Christianity renders a consideration of a distinctively Pentecostal identity more and more enigmatic *Who is Afraid of the Holy Ghost* addresses this problem filling a significant gap in the information interpretation and analysis of Pentecostalism in Africa and on the global religious scene
