

DEVIL ON THE CROSS

INTRODUCTION

First published in Gikuyu in 1980, *Devil on the Cross* is a powerful fictional critique of **capitalism**. It tells the tragic story of **Wariinga**, a young woman who moves from a rural Kenyan town to the capital, Nairobi, only to be exploited by her boss and later by a corrupt businessman. As she struggles to survive, Wariinga begins to realize that her problems are only symptoms of a larger societal malaise and that much of the misfortune stems from the Western, capitalist influences on her country. An impassioned cry for a Kenya free of dictatorship and for African writers to work in their own local dialects, *Devil on the Cross* has had a profound influence on Africa and on post-colonial African literature. The novel was written secretly in prison on the only available material — lavatory paper. It was discovered when almost complete but unexpectedly returned to him on his release. Such was the demand for the original Gikuyu edition that it reprinted on publication.

SETTING

The Cave

The Cave in Ilmorog is where the Devil's Feast takes place. Despite its name, the cave is a very nice and luxurious space. As the narrator reflects: "But was it really a cave—or the finest of houses?" (92). The floor is polished and clean, and the barmaids are dressed like Playboy Bunnies. However, the fact that it is called a cave emphasizes the seedy underside of the Thieves and Robbers' activities. The cave emphasizes the way in which it acts as a kind of lair, from which the greedy capitalists of the novel are able to plot and boast about their schemes.

Nairobi

The young man who prevents Warĩinga from committing suicide at the beginning of the novel describes Nairobi as "large, soulless and corrupt" (15). Thus it is experienced, especially for the novel's female characters. For example, Warĩinga experiences Nairobi as a place of abuse and corruption.

PLOT SUMMARY

Originally published in the author's native language of Gikuyu as *Caĩtaani mũtharaba-Inĩ*, the author focuses on the corrupting influences of international money and culture on Kenya following its independence. The novel opens with the narrator accepting his duty to tell a sad, perhaps shameful, story of an incident in **Ilmorog**.

In **Chapter Two**, the novel introduces the reader to its protagonist: **Jacinta Warĩinga**, a woman who has recently lost her secretarial job and boyfriend. When she attempts to kill herself, the man who rescues her hands her an invitation to the "**Devil's Feast**" in her parents' hometown.

Exaltation of the Cross Louis van Tongeren,2000 The origin development and spread of the feast of the Exaltation of the Cross is traced on the basis of liturgical sources and through a careful examination of the liturgical textual material the meaning of the feast is analyzed with respect to its content Among the important points receiving attention in this analysis are the place function and significance of the Cross relic and the theology of the Cross or the process whereby the understanding of the Cross was shaped as that was invested in the feast The research is based on sources of Western liturgy from the early Middle Ages and therefore has bearing on the period in the West in which a multiform liturgy celebrated according to various indigenous local and regional traditions gradually made way for one uniform Latin liturgy patterned on Roman models The feast of the Exaltation of the Cross spread through the West from Rome within this context of standardization and Romanization This raises questions about the uniformity and the Roman content of the feast This study especially examines to what degree indigenous interpretations of the Cross which were part of the legacy of the Hispanic and Gallican traditions in particular continued to be preserved through the liturgical books of the early Middle Ages
