marketing It provides opportunities as you read along to use the tips strategies and ideas mentioned for your own book It covers the main platforms Lulu CreateSpace and Lightning Source and is packed with solid hints and tips **Write It Right** Gwen Richardson,2013-07-01 Recent changes in the book industry have afforded new authors the opportunity to self publish with relative ease Yet for newcomers to the industry publishing a book is still a daunting task Write It Right The Guide to Self Publishing Your Best Book provides both aspiring and seasoned authors with a road map to success The following questions are answered in the book What are ten great reasons to self publish What are ten of the greatest challenges to self publishing What is the primary reason you are writing your book How do you determine your book s topic or subject matter What is the target audience for your book What is the current state of the book industry What are the elements of a best selling novel How does a self published author obtain a copyright and ISBN What are some of the most cost effective marketing strategies How does a self published author take advantage of social media What are some of the costly time consuming mistakes authors should avoid What are some of the future book publishing trends on the horizon If you are planning to self publish Write It Right includes the comprehensive information that will help you succeed **Strategic Keyword Guide for Amazon KDP** Digital World,2025-11-22 Keywords are the invisible bridge that connects your book to your ideal reader on Amazon Ignoring keyword strategy is the most common mistake that turns potential bestsellers into unknown works The sales performance of your eBook crucially depends on you choosing the right keywords The eBook Strategic Keyword Guide for Amazon KDP is your market intelligence manual created for authors publishers and digital entrepreneurs seeking to master the art of being found maximizing visibility and profit This guide transforms the complex world of search engine optimization SEO into a clear and actionable process In this book you will learn to master The Golden Ground Discover secret tools and methods to find low competition high search volume keywords the golden ground of optimization Metadata Optimization Learn how to integrate your strategic keywords into your KDP Title Subtitle Seven Keyword Fields and Description ensuring that Amazon s algorithm actively works for you Purchase Intent Go beyond generic terms Understand the mindset of your avid reader and select keywords that signal high purchase intent turning clicks into sales Continuous Strategy Learn how to monitor your keyword performance and make smart adjustments over time to keep your book featured in Amazon rankings Stop guessing what readers are typing Get this guide and start selecting the keywords that will unlock the path to your book s sales success on KDP Write. Publish. Repeat. (The No-Luck-Required Guide to Self-Publishing Success) Sean M Platt,Johnny B. Truant,David Wright,2014-01-02 Are you ready to start making a full time living with your stories Self publishing isn t as hard as most authors make it Write Publish Repeat was written to save you from unnecessary struggle Yes there is a lot to learn and more competition than ever before but for those storytellers who are willing to do the work then set their efforts on repeat there s never been a better time to make a living as a writer Thousands of new books are published on Amazon every single day The vast majority will never sell more than a handful of copies This is devastating

for hard working authors who care about their craft and are doing all of the things they're supposed to do if they want to make it as a successful author. But it's confusing out there with too many things to learn and not enough time to learn them. Worse so much of the available advice comes from people who are in the business of selling advice. They're either parroting what others have said, are making guesses based on assumptions or anecdotal evidence, or are using their personal yet minimal experience with a successful book or perhaps even a few to articulate loose strategies that often have an absurdly short shelf life. This book is different. Write Publish Repeat was written by successful authors who have been in the indie game since the very beginning. In the last ten years we've gone from zero books to a few hundred with copies sold in the millions, film and television projects in the works, and hands-on work with hundreds of writers like you. We've also made more mistakes than we can count. But we made them so you don't have to. This book explains how to create stories your readers will love and will want to return to again and again. It details expert methods for enhancing creativity, building worlds, characters, and plots, understanding your market right down to your ideal reader, using the best tools possible to capture your draft, and explains proven best practices for editing. It discusses covers, titles, formatting, pricing, and publishing to multiple platforms, plus a bit on getting your books into print and why that might not be a good idea. But most importantly, Write Publish Repeat details the psychology-driven marketing plan that Sean and Johnny built to shape their stories into products that readers couldn't help but be drawn into, thus almost automatically generating sales, and explores ways that smart business-minded writers can do the same to future-proof their careers.

What Indie Authors and Thought Leaders Are Saying

Two of the best in the biz: A gem for aspiring authors. Hugh Howey. For my money, this is the best book on self-publishing out there. David Gaughran.
