Eilam, 2022-02-28 This book analyzes major national security issues in the Middle East focusing on those regarding Israel which could have negative implications on the United States Currently Israel is concerned with Iran's nuclear program its regional ambitions and Hezbollah's arsenal Other major concerns facing Israel are the chemical weapons in Syria and the Golan Heights and Egypt's internal problems which might undermine its peace with Israel In the Gaza Strip the growing conflict between Israel and Hamas could lead to another war The Muslim Brotherhood Beverley

Milton-Edwards, 2015-12-14 The Muslim Brotherhood is the most significant and enduring Sunni Islamist organization of the contemporary era Its roots lie in the Middle East but it has grown into both a local and global movement with its well placed branches reacting effectively to take the opportunities for power and electoral competition offered by the Arab Spring Regarded by some as a force of moderation among Islamists and by others as a facade hiding a terrorist fundamentalist threat the potential influence of the Muslim Brotherhood on Middle Eastern politics remains ambiguous The Muslim Brotherhood The Arab Spring and its Future Face provides an essential insight into the organisation with chapters devoted to specific cases where the Brotherhood has important impacts on society the state and politics Key themes associated with the Brotherhood such as democracy equality pan Islamism radicalism reform the Palestine issue and gender are assessed to reveal an evolutionary trend within the movement since its founding in Egypt in 1928 to its manifestation as the largest Sunni Islamist movement in the Middle East in the 21st century The book addresses the possible future of the Muslim Brotherhood whether it can surprise sceptics and effectively accommodate democracy and secular trends and how its ascension to power through the ballot box might influence Western policy debates on their engagement with this manifestation of political Islam Drawing on a wide range of sources this book presents a comprehensive study of a newly resurgent movement and is a valuable resource for students scholars and policy makers focused on Middle Eastern Politics
