LEADERSHIP COMPETENCY JOB-AID

FACILITATOR INSTRUCTIONS

Prior to facilitation, print the CGOLF Coaching cards and cut them out. There are 50 questions that can be used for any of the 20 competencies. You will need 2 cards per participant.

Brief: "You are the experts on this competency. This activity is about having a discussion and sharing some of that knowledge."

Note: It is up to the facilitator to choose the competency you want to discuss during the session. Participants will fill in the blanks on the cards with their own examples. *Example: "Health and Wellness"*

Swap questions and answers with a partner. Discuss the answers with other people on your team.

- GOALS:**
1. Pair up with one partner and discuss the question on your card, listen to your partner's response, and then answer the question on your card.
 2. Swap cards with your partner and discuss the question on their card in the air to signal that you are looking for a new partner.

Optional: Add a round of discussion. The rules are the same as round one but instruct participants to listen to their partner's response. Subjective is when you are listening to "What you think" and objective is when you are listening to "What you know".

Note: The rules are the same as round one but instruct participants to listen to their partner's response.

- DEBRIEF:**
1. Discuss the questions and answers during your discussion.
 2. Discuss the questions and answers during your discussion.
