Psychology Thomas Fetsco,John McClure,2005 I applaud the vision the authors had in synthesizing this information in a way
that makes the reader more confident in their application of these theories and principles to their own classrooms The
authors have wonderfully succeeded in their attempt to integrate this material in a manner quite different from other texts I
ve read or reviewed Jim Persinger Emporia State University Any textbook that overemphasizes theory neglects the real world
any textbook that overemphasizes practice neglects the underlying foundation of theory This book strikes a careful balance
between theory and practice by explicitly linking the two Gregory Cutler Bay de Noc Community College By far this is the
best educational psychology text I have read because it integrates and applies major learning theories to many of the daily
