

A stylized illustration of a tree with a thick brown trunk and branches. The leaves are small, oval-shaped, and colored in shades of yellow, orange, and red. The tree is set against a light blue background. At the base of the tree, where the trunk meets the ground, is a large, dark brown ship's wheel. The wheel has many spokes and a central hub. The ground is depicted with blue and green wavy lines, suggesting a body of water or a landscape. The overall style is simple and illustrative.

### **Cocksmith At The Helm English Edition:**

**Cocksmith at the Helm** J. A. Finisterre, 2010-04-06 In *Cocksmith at the Helm* a magically delightful fairytale for adults J A Finisterre introduces us to Myron Cocksmith the principal of a parochial school and a man weighted down by the belief that his life has grown stagnant Driven by the desire to simply experience more of life and an unquenchable libido the normally staid Cocksmith takes an uncharacteristic risk and travels to the Aegean island of Lesbos and the promise of an idyllic and sensual life of painting sex and self discovery Surrounded by a cast of fascinating characters rogues and assorted misfits including his school secretary and a former student he soon enough finds that those things he thought he desired most are simply not enough Cocksmith abandons his paradisiacal life and returns home with his young lover and all hell promptly breaks loose How could he know he would bring a remnant of the ancient order home with him in the form of a faun child carried by his young companion or that the old gods were standing merrily by waiting to intercede If there is a lesson to be learned from this wildly imaginative and thoroughly arousing story it is that love and respect count that society's judgments are as vapid as air and that this adventure we call life is in our hands to be wasted or revered as we see fit
