John P Bartkowski University of Texas at San Antonio The focus of the book is clear and consistent The writing is superb It deals with sophisticated ideas in a clear and highly communicative style It weaves important and relevant scholarship in ways that help the reader grasp the key ideas It s one of the best books I have read Liora Bresler University of Illinois at Urbana Champaign Thinking Qualitatively invites students to think before they act and offers a rich set of options for qualitative researchers to consider Michael Brown University of Wyoming This book brings together key ways of thinking about our work as qualitative researchers In many ways it captures the breadth and depth of our work while calling for us to be ever reflexive about our practices I see this book as positively informing the work of novice and experienced researchers It is a much needed addition to the qualitative research community Jessica Nina Lester Indiana University

Hybridizing Mission

Peter T. Lee, 2022-09-27 This qualitative study explores intercultural social dynamics among international Christian workers who are part of multicultural teams engaged in Christian ministries in a North African country It seeks to understand these workers lived realities at intersections of multiple cultural flows Ethnographic methods were used to collect and analyze data and forty nine international Christian workers were interviewed The findings of this study indicate that intercultural Christian workers go through complex intercultural social processes interwoven in the fabric of their everyday life These processes are mediated by their social experiences in the local North African context and their multicultural teams resulting in significant changes in their personal dispositions and social behaviors Based on these findings a working concept of diasporic habitus is developed and the practice of double discourses of culture is further examined This research suggests that some existing missiological concepts need to be revisited and recommends further interdisciplinary conversations involving cultural anthropology and sub fields in psychology about the changes that happen to people in intercultural missions It also calls for a reflexive approach to missiological research that incorporates awareness of one s situatedness and the lasting impact of historical entanglements on contemporary intercultural relations
