ABOUT MONTHLY GREYSHEET BID LEVELS: The Certified Coins ("Blanchet") reports current wholesale market "Bids" for coins certified by the most active grading services, PCGS and NGC, reporting prices for "tough-coin" quality coins. In other words, Blanchet levels should be regarded as a baseline for values of coins in PCGS & NGC holders. GreySheet values for the same coins represent "tough-coin quality," or coins buyers are choosing with visual approval. Our values are determined through careful study of market activity (including the Bids placed on CDN Exchanges (www.cdnextchange.com), trade show activity, price levels, auction prices and other anecdotal research). Individual buy prices will vary among dealers, are strictly the responsibility of the dealers, and may fluctuate according to needs. CDN prices are indicators only and we do not represent that it is possible to purchase or sell selected coins at bid levels. CAC bid prices reflect bid values for PCGS & NGC coins that have been "approved" or "checked" by CAC. If you are unfamiliar with these terms, we recommend that you refer to our web site, or contact a professional numismatist, who can better explain the intricacies of this complicated market.
