market and sell your book subjects that are crucial to a title's success but of which most writers have very little understanding. Also included is a valuable resource section that guides you to websites which offer essential information on self-publishing service providers including complete self-publishing companies as well as freelance editors, proofreaders, printers, distributors, marketers, and publicists. Today self-publishing workshops and lecturers charge hopeful writers hundreds of dollars promising to turn their self-published books into bestsellers. The fact is that your book's chance of success starts at its origin, not with the finished product. However you choose to produce your book, whether through a self-publishing company or through separate services, here is a complete road map to what lies ahead, based not on hype or wishful thinking but on Dr. Jan Yager's lifetime of experience in the world of publishing.

Popular Photography, 1991-01. **The Beginners' Guide to Writing, Self-Publishing and Marketing a Book** Kehinde Adesina, Taiwo Adesina, 2013-06. Everyone has a book in them and that's where it should stay. Well, that's an old saying as recent developments have shown that it is now easier than ever to write AND publish your own book and to a near professional standard, therefore the book no longer needs to remain in you. It is now possible to achieve the best results, however, the self-publishing world is complex and there are many pitfalls a new author should be aware of. This book, written by experienced writers and publishers, will help you avoid them and will guide you through the process of book writing, publishing, and marketing. It provides opportunities as you read along to use the tips, strategies, and ideas mentioned for your own book. It covers the main platforms Lulu, CreateSpace, and Lightning Source and is packed with solid hints and tips.

How to Self-Publish Your Book Jan Yager, 2019. How to produce a commercial-looking book and avoid all the common pitfalls. Cover **Popular Photography**, 1991-01. *A Reassuring Guide to Self-Publishing* Bev Robitai, 2014-11-02. A guide that tells you how to self-publish in the simplest, cheapest way possible. It's for people who sometimes struggle with their computer and don't have a limitless budget to spend on professional services to get their book published. The self-publishing process isn't hard, but it can be intimidating the first time, so this guide holds your hand right through every step, explaining what to do. It doesn't assume you're an expert, so it covers the basics, keeping things as straightforward as possible. It doesn't teach you how to write just to publish. If you've got a finished book manuscript but don't know what to do next, the answers are here. Once you have a polished, edited, and proof-read book file going through the steps in this guide, you can put a print copy of your book in your hands in a couple of weeks and make it available worldwide in any format, hard copy or ebook. It covers things you didn't know you didn't know, like the legal requirements of mandatory deposit in the country where you live, whether it's the US, UK, Australia, New Zealand, or Canada. There are tips on pricing and promotion, bar codes, and taxation, ISBNs, and all those behind-the-scenes elements that go into publishing a book. No wild
