Our Candy Recipes May B. Van Arsdale, 2015-06-25
Our Candy Recipes by May B Van Arsdale is a book that is reminiscent of childhood and the innocence surrounding it. Written in the most simplistic language, Arsdale puts together various recipes of the different kinds of candy that can be made in the home. The author shows how something as simple as sugar can be converted into lip-smacking delicacies favoured by children and adults alike. Spread over twenty chapters, Arsdale starts with a brief description of the materials, utensils, and techniques used in candy making. The book then delves straight into mouth-watering recipes including those for fondant, fudge, pies, caramels, and many more. Unlike some other books on cooking, this particular volume is written and formatted intelligently with bold subheadings for each step involved, as well as tables, lists, and illustrations for the benefit of the reader. Interestingly, Arsdale provides proportions of ingredients for two servings of the same recipe: one for small and one for large. The sections on use of nuts, fruits, and chocolate dipping are perhaps the best written, as the author provides a myriad of ideas and innovative techniques for creating the perfect desserts. Ideal for homemakers, enthusiastic cooks, or just casual readers wanting to relive the sugar rush of their childhood, *Our Candy Recipes* has something to offer for everyone.
