Oculus Quest 1 and 2 User Manual John A Joseph, 2021-01-12

Oculus manufactures one of the best virtual reality headsets in the gaming industry. The first version of these devices is the Oculus Quest, which is going into extinction. However, the tech giants proved its claim of meeting gaming needs with mouth-watering innovation when it introduced the Quest 2. The headset uses a mobile application to help you set up an impressive VR experience. You do not need any external tool to the headset to reflect your virtual reality movements. In addition, the full package comes with touch controllers that excellently mimic a traditional pad. The gestures, triggers, and interactions are top notch. You can also handle the device in multiple positions. We intend to present a comprehensive guide to help you sign in to your Oculus account and get the best out of this impressive headset. This guide includes a tour of the features of the device, how to set it up, how to charge, and tips to maintain its battery life. We recommend that you purchase the headset from trusted stores and double-check the content before payment.
