Sean Connolly and Philip Briggs the world's foremost guidebook writer on Africa this third edition of Bradt's *The Gambia* remains the most comprehensive guide available to mainland Africa's smallest country. This new edition integrates recent developments from recently opened restaurants and hotels to the new roads and bridges that make circumnavigating the country easier than ever. The guide provides detailed coverage of ecolodges and camps, information on festivals, music workshops and opportunities to experience local culture, plus advice about birdwatching possibilities in a country popular with first-time birders to Africa. As well as encompassing popular coastal resorts, the guide provides information required to explore the relatively undeveloped interior and proposes excursions into neighbouring Senegal, making it ideal for visitors on organised holidays and independent travellers alike. Bradt's *The Gambia* reveals all the practical information needed to explore this welcoming and safe country, not for nothing is it nicknamed the Smiling Coast with its plethora of beach resorts catering to all tastes and budgets that line the 80km stretch of tropical coastline running from the capital Banjul to the remote southern border. Small in size but rich in character, The Gambia offers perhaps the closest English-speaking winter sun destination from Europe. Justifiably popular with birdwatchers, the lush mangrove and jungle-fringed River Gambia is also home to crocodiles, hippos, rehabilitated chimpanzees and various monkeys. The Gambia offers rich heritage tourism for moderately adventurous travellers from the mysterious megalithic stone circles at Wassu and Ker Batch to fortified Kunta Kinteh, James Island and the former slave trading village of Juffureh, the heart of novelist Alex Haley's *Roots* country and part of two UNESCO World Heritage Sites. And why not enhance your visit further by experiencing colourful local markets, witnessing kankurang spirit masquerades or joining a kayak cruise from the sleepy river port of Janjanbureh or paying homage to The Gambia's inspiring journey towards democracy and reconciliation at Memory House. All in all, Bradt's *The Gambia* is the perfect companion for discovering this safe, welcoming and tourist-friendly English-speaking country which provides an ideal short stay introduction to West Africa's unique atmosphere. *Anglicko-český slovník*, 1994 *Financial Mail*, 2006-10 *Zambia Tourism Guide*, 2009 *The Lawyer*, 1999 **Ethiopia** Philip Briggs, Brian Blatt, 2009 While the world taps its feet, Ethiopia breakdances with its shoulders. This is an uplifting, inspirational country which confounds expectations. It's no featureless desert but a land of majestic landscapes surrounding a vast fertile plateau. The rock-hewn churches in its medieval capital Lalibela are regarded by many as the eighth wonder of the world. Its people are welcoming, proud and besotted by their own culture and history. Bradt's *Ethiopia* is the most thorough guide available to this country rich in culture, history and dramatic scenery and has been highly praised by both travel press and readers. Thorough and reassuring, it provides all the practical and background information to make readers leap from their armchairs and visit this vast magical country. *The Daily Telegraph* UK **Media Sustainability Index**, 2006 The development of sustainable media in Cover *The News*, 2008-07

Getting the books **Code For Dstv Code** now is not type of inspiring means. You could not isolated going as soon as book addition or library or borrowing from your associates to admission them.
