## **Code Name Vfo565 Gmj Book 1:**

**Code Name VFO565** George James,2021-03-28 Code Name VFO565 With everything in life there is a beginning and the end is not always known If you had told me that I would be at OATH OF EVIL The War on Protestantism GMJ 51 when I was writing Code Name VFO565 the first GMJ novel just after the unexpected passing of my wife in 2014 I would have shaken my head in disbelief Writing the GMJ Books has kept me sane They take me to another world and one that I thought I had left behind But it was not to be I now understand that it takes more than two roubles to get out of the Great Game Of course you are warned by the old hands when you first sign up but who listens For what it is worth and to end online speculation the main character in the GMJ Books Angelique Dawson is not based on my late wife but she does have her green eyes and auburn hair I reveal more about her in Code Name M lisse GMJ 41 Before the GMJ Series I was am better known as a non fiction author on business law and counter terrorism books therefore since this is how I write a great deal of realism is to be found in my books The GMJ stories are all true up to a point They are based on facts and whatever the characters say is historically accurate and researchable Curiously many times after a GMJ Book is published that what is revealed is printed in the media or hastily denied These books are like no other as should be each author has his own unique style Lastly the name George M James is a code a pseudo name to include my late wife s initials Description The narrator Major Geoffrey Foxtrot a former Police Special Forces Company Commander is in love with his South African Secret Service handler spymaster extraordinaire Angelique Dawson She is the head of Counter Terrorism and they go back many years even if they don t openly admit so Her father was his former commanding general in Special Forces Foxtrot failed to rescue the General after he was taken hostage He and his men were too late as they were held back by politicians Yet whilst searching the General s body for booby traps he found a picture of Angelique Dawson and realised that she is his soul They only meet 8 years later By now Foxtrot is part of a highly secretive unit known informally as the Egg Breakers and Angelique is for all intents and purposes his commanding officer She uncovers a truce that the South African Government entered into with Al Qaeda to hide and allow Al Qaeda operatives in southern Africa Whilst inside South Africa the terrorists are under the direct protection of Angelique s people the South African Secret Service a highly efficient intelligence service Foxtrot receives orders to snatch and kill the terrorists and the two groups clash violently Then Angelique is illegally detained as a double agent suspected of working for France an automatic death sentence Foxtrot must rescue and smuggle her out of the country a task that he takes on with the help of his best friend and former Special Forces legend Geelslang Peter Ndebele It will not be easy and he will do whatever is needed If you wish to read about Covert and Special Forces Operations in sub Saharan Africa the GMJ Books are the place to start You will learn about covert operations Special Forces techniques and military history not known outside the select few Code Name VFO565 is the first book in the popular GMJ Series **Code Name Foxtrot** George James,2021-03-28 Code Name Foxtrot takes place in 2004 and is the first GMJ Book in chronical order but the 6th in the

Series Here we deal with the death of a soulmate and a man driven to take revenge for her untimely death This is where the story really starts and much is revealed about the narrator Geoffrey Foxtrot We reveal why Foxtrot hates Sir John McElroy the MI6 spymaster that we meet from time to time in the GMJ Books We also flashback in time to when Foxtrot then still a serving Police Special Forces Company Commander tries to rescue his kidnapped former commanding officer Angelique s dad against orders Legendary Special Forces officer Geelslang Peter Ndebele then a platoon leader goes with volunteering his platoon and the rest as they say is history As we know the rescue fails and the two officers leave the Special Forces to become Egg Breakers Meanwhile Angelique Dawson has lost her first husband to cancer and starts to wonder about Geoffrey Foxtrot the man that became her preferred agent and much later her soul and husband ending as the Egg Breaker Ground Commander In fact the entire GMJ Series is about the developing love story between the deadly spymaster Angelique Dawson and Major Geoffrey Foxtrot protecting her Description Former Police Special Forces Company Commander Major Geoffrey Foxtrot s wife Marwa is killed in an IED attack in Iraq Marwa he always knew was a DGSE agent the French spies but he never knew how senior she was or what she was up to Upon her death he learns much and is not about to take this insult lying down He claims revenge and with the help of his South African Secret Service handler spymaster Angelique Dawson and his best friend the legendary former Police Special Forces platoon leader Geelslang Peter Ndebele he heads for Iraq to find the killers Angelique Dawson also has problems Her husband dies of cancer at the same time as Marwa and in their anguish Foxtrot and Angelique turn towards each other for comfort They will eventually fall in love and marry in Code Name VFO565 an enduring romance between two souls that were always meant to be We discover the reason for Foxtrot s hatred of Sir John McElroy the MI6 spymaster And Foxtrot must make a difficult choice concerning revenge Code Name Foxtrot is a tale of revenge of a man sparing no one Only Angelique Dawson can stop him perhaps If you wish to read about Covert and Special Forces Operations in sub Saharan Africa the GMJ Books are the place to start You will learn about covert operations Special Forces techniques and military history not known outside the select few Code Name Foxtrot is book 6 of the GMJ Series and by the far the most humane of them all **Code Name Wrangler** George M. James,2016 *Code Name Wednesday* 7 George M. James,2021-03-28 Since the very first GMJ Novel Code Name VFO565 was published in late 2014 I have spoken about the Muslim Truce which is something that is officially denied by the authorities I stated that the new South African Government reached out to what many will call Islamic Radicals and offered or negotiated a deal that they will be welcomed to recuperate and be protected in this sphere but only if they behave This is the spirit of Ubuntu Because it is so important you can read more about the Muslim Truce in the Intelligence Briefing available at [www.georgemjames.com](http://www.georgemjames.com) From about 2005 we started noticing new mosques springing up across sub Saharan Africa We wondered why this was happening as this is not a predominately Muslim area it is nominally Christian There simply was no logically reason why there were so many new mosques thus we kept a close eye on them In Code Name Wednesday 7 I explain how the mosques

were penetrated and what other startling things we discovered I also take the time to explain Islam versus radical Islam so you can have a much better understanding of these important differences In fact the knowledge in this book is imperative to the understanding of Islamic counterterrorism Unfortunately most do not know this which saddens me We have studied radical Islam in detail to get the complete picture and to understand the way such people think Please note the radicals are an extremely small percentage of otherwise good people This is not repeat not an anti Islam book Next we take a hard look at PNES aka Psychogenic Non Epileptic Seizures This is not caused by abnormal brain electrical discharges as is normal epileptic seizures but by psychological distress which can be caused by the brutality of man sexual abuse and other causes In my books I often write about Lucy a counter terrorism agent that got caught by a warlord During her captivity she was cruelly abused PNES and PTSD is the price that Lucy paid for staying alive after her escape which less than 1% succeed in doing When she is not suffering from PNES she suffers from nightmares and PTSD as do so many like us We show what happens during a PNES attack and what treatment is needed PNES is a lifelong sentence which few family members are willing to deal with It is also closely linked with PTSD These diseases are difficult to say the least and are certainly not dishonourable nor shameful I found that the lack of knowledge regarding PNES is tremendous and it is my sincere hope to help those that suffer through awareness and information Description Spymaster extraordinaire Angelique Dawson is with her team inside Malawi From about 2005 the South African Secret Service started noticing new mosques springing up across sub Saharan Africa Angelique finds out why this is happening and takes matters into her own hands She is as usual not explaining to her future husband and former Police Special Forces Company Commander Geoffrey Foxtrot the narrator who is trying to keep her safe from all harm and especially her own counter espionage desk that is helping the Islam radicals In a combined Mossad and CIA operation she goes after the new mosques and destroys a MANPAD missile cache If you wish to read about Covert and Special Forces Operations in sub Saharan Africa the GMJ Books are the place to start You will learn about covert operations Special Forces techniques and military history not known outside the select few Code Name Wednesday 7 is the 42nd book of the popular GMJ Series
