Digital Gambling César Albarrán-Torres, 2018-03-28 This book develops the concept of gamble play media describing how some gambling and gambling like practices are increasingly mediated by digital technologies Digital gambling brings gambling closer to the practices and features of videogames as audio visual simulations structure users experiences By studying digital gambling from media studies videogame and cultural studies approaches this book offers a new critical perspective on the issues raised by computer mediated gambling while expanding our perspective on what media and gambling are In particular it critically analyses terrestrial mobile and online slot machines online poker and stock trading apps through a selection of case studies

Double Down on Your Data, Third Edition Clive J. Pearson, 2012-09-25

Gambling has been with us since ancient times and it is unquestionably here to stay Although Poseidon Zeus and Hades may no longer be dividing the world up in a game of dice flocks of tourist still flood through the gates of Las Vegas Caesars Atlantic City s Taj Mahal and Macau s oddly named casino Greek Mythology In Double Down On Your Data author Clive Pearson reveals that we have entered a brave new world of gambling and entertainment a world where casino executives can cull through their casino s in house patron data and discover who are their most profitable patrons Armed with this information these casino executives can then market to their most valuable patrons in a highly personal way thereby creating a long and lasting and usually highly profitable relationship Double Down On Your Data teaches casino executives how best to manage their customer relations as today they are faced with a gambler who is much more sophisticated than the ancient Roman soldier who tossed a coin in the air and called Heads or Ships
