COGAT[®]
GRADE 4-6

Non-Verbal Reasoning Practice Paper

Break the Code Test 1

Codes are symbols of words, numbers or figures that are used to represent others. Some test-takers sometimes are not able to see the effort to solve. The pictures in the boxes below have given other codes that already experts of their experiences. Once you have solved the code, you can use it to work out the answer for the code in the final box. The answer

using your answer to the question in the final row!

The correct answer is A. The two observations of Figure 1 is that it is a square and it is orange so we know that 1 = orange so it is common to both Figure 1 and 2, in Figure 2, it is square so 1 is used in Figure 1 too. So 2 = horizontal stripes. Therefore, the answer for Figure 2 is A because it is white and 2 = horizontal stripes.

Two Full Length (Colored) Practice Tests for the Cogat Form 7 Top Grader LLC,2017-01-28 Top Grader has been coaching children on the gifted and talented tests for more than three years When we got requests from parents to coach their children on the CogAT we went looking around for practice material on this test While we started with what was

available in the market we quickly realized that we could give these children a much better preparation if we developed quality content on our own. So our academicians got on the job. After reviewing a lot of study material on CogAT available both online and in print we found that there is a void when it comes to high quality structured and relevant content for the CogAT test. This book is an attempt to fill that void. Every question in this book has been carefully developed to provide children with the most appropriate content for practice. What's even better is that all the questions in this book are in full color, something that is essential to simulate the real CogAT test experience but is hard to find in the current marketplace. Although we cannot guarantee that the content of this book will help every child ace the CogAT, we do assure you based on our experience coaching prospective CogAT test takers that if a child solved all the problems available in the two practice tests in this book, his or her chances of getting a high score will improve greatly. If you feel your child needs personal attention and hand holding to prepare for the CogAT, we encourage you to take advantage of our one on one online tutoring for the CogAT test at www.topgrader.com. The Top Grader team wishes you and/or your child the best of luck for the CogAT test. We value your feedback to help us improve our products and services; hence if you have any questions, comments, or suggestions, please do not hesitate to reach out to us at feedback@topgrader.com.
